Our Good Neighbors

Siletz Siftings.

Mrs. Bernard came in from Albuquerque, N. M., Tuesday, having been assigned here as school cook, but she is dissatisfied in some way with the country and left Wednesday for Portland, where she has a brother. We are sorry she could not be persuaded to remain a few days at least. We are confident she would like the people and her environments. Later—We are pleased to announce that Mrs. Bernard has decided to stay.

Sam Wood of North Yakima, brother of our Oscar Wood, arrived Monday.

A small blaze in the large house known as the Bob Metcalf place caused some excitement this week.

Jim Watts and wife are in the valley this week.

Wild strawberries are plentiful this season.

A letter from Mrs McArthur states that her health is improving in the glorious climate of Arizona.

Mrs. Coquille Thompson is very sick at the home of James Watts. Dr. Wetmore is in attendance.

C. F. and W. W. Soule came in Monday from their homes on Thompson creek to vote for Binger Hermann.

Election day passed off very pleasantly. Hermann got 41 majority.

L. D. Wood has removed his sheep and cattle to his home down the river.

The service Sunday morning was in memory of our soldier dead. Patriotism is as imperative as religion. To neglect our duty as a citizen is a crime. When venality and crime, bossism or demagogism creep in we are on the road to speedy ruin. Challenge every man who asks for a place of trust and make him give the password of honor.

Charlie Montgomery has a large flag which on all public days floats from a tall pole in front of his store.

Died—Saturday afternoon, May 30, of pneumonia, Bernard Catfish, aged 3 years. The funeral service was held in the chapel Sunday afternoon, a large audience being present, and Bernard was laid at rest in Siletz cemetery. The parents have the sympathy of a host of friends.

A large number enjoyed to a late hour last Friday evening the social at the home of Miss Pearl Hall. It was given as a farewell to Miss Pearl and a welcome home to her sister, Miss Amy. Progressive peanuts, games and social chat occupied the time. Delicious refreshments were served, consisting of strawberries, cake and coffee.

Prof Gates has a class of Indian boys in pyrography. Some of them are enthusiastic over their opportunity to learn. Some specimens of their work will be exhibited at the Boston Indian Institute, to be held July 6. These specimens, in connection with the beautiful lacework produced by Mrs. Arthur Bessell's class, will give this school a good representation. We feel proud of our Indian boys and girls.

Angora News.

F. B. Carns has returned to Fall Creek to sit on the election board and improve his ranch.

D. W. Pickett and son Harry have returned for a short stay on their ranch.

Newt Johnson is slashing for N. D. Carns. Newt has purchased a fine new target gun and says he can hit the bulls-eye every pop—some pops.

Will Oglesby made a flying trip to Alsea Saturday—not so very flying either—as it was near ten o'clock at night when he returned. Be careful, Will; it is dangerous to travel the roads after dark.

Miss Grace Oglesby completed a successful term of school on Five Rivers and is now visiting her parents on Fall creek. We are glad to see her again.

In the Fisher Flashes last week we saw that the Alsea picnic was to be the 27th of June. I would like to say that

Love is sometimes a hard taskmaster. He drives women to tasks beyond their strength and lays heavy burdens on their shoulders. Love of husband, love of family, forces many a woman day by day to labor for the home when aching back and throbbing head make her utterly unfit for household duties.

Weak, nervous women who suffer from headache, backache, bearing-down pains and other consequences of womanly disease, can be completely cured by the use of Doctor Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"About two years ago I was taken sick and it seemed as if I had no nerves at all," writes Mrs. P. Woodbeck, of Delray, Mich. "Could not work an hour in the day without being tired out. I doctored first with one physician, then with another, but did not receive any benefit. One would say one thing and the next something else. I had almost given up when I thought your medicine might help me, so I wrote to you asking what to do. You advised me to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' I did so and could see a difference right away. I only took four bottles in all and felt better than I had in a long time. Can work all day now and not feel tired as I would in an hour before taking your treatment. I think it is the only medicine."

Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.

the date is changed, and the Alseaites are going to celebrate the Fourth of July.

The Oglesby brothers are making great improvements on their ranches in the way of slashing.

Jasper Johnson of Philomath was a visitor on the creek last week.
