The Toledo school board met last Friday night and elected the following teachers for the ensuing year: Principal, George Bethers; intermediate, Miss Jennie J. Maxwell; primary, Miss Rebah Gans. It would be altogether superfluous to give our readers an introduction to Mr. Bethers. His selection is an emphatic endorsement of his previous good work in the same position. Miss Maxwell came to Lincoln county with first class recommendations, and her recent success with the Parrish school and work in the county institute a few weeks ago have proven school board, as well as numerous served at the Bay View House. friends. Miss Gans also was one of the shining lights in the institute, and is an enthusiast in primary work. This is her fort-possibly her mission-and brother, Jay Dunn and family. the little ones will be in good hands. In education as in every thing else a good start is all-important. HONORS FOR TOLEDO.

Captain A. B. Clark of Elk City was a Local W. R. C. Captures State Convention at Portland.

The convention of the Women's Relief Corps, Department of Oregon, held at Portland last week, resulted in some pleasant surprises for the people of Toledo. Mrs. Rose Schenck was elected Department President and the responsible position of Department Treasurer Mr. and Mrs. Arthur Bensell of Siletz was given to Miss Mamie Wakefield. were passengers for the valley Monday There was a spirited but good-natured contest over the first office, but the winning blarney of one of Toledo's delegates, Mrs. Matilda Espy, ably assisted by Mrs. Bethers, color bearer, and Miss Wakefield, the other delegate, brought home the plum. Our private dispatches say one Portland member became slightly vexed and accused Mrs. Espy of being Irish. Wasn't that mean?

Three members of the executive board also hail from Toledo. They are: Maybel Bethers, Matilda Espy and Ada Soule.

As this was decidedly Toledo's inning, President Schenck deemed it eminently proper to hand the state secretary's portfolio to Mrs. Ina Sturdevant-an excellent selection. by the

The victorious Toledoites, except Miss Wakefield, arrived home Monday evening and were met at the depot by several fellow-members of the W. R. C. and also a delegation of the G. A. R. The enthusiastic company immediately proceeded to the hall, where one of those famous W. R. C. lunches had been prepared. The "high spirits" and over-supply of fine eatables blended harmoniously, and it was a very enjoyable occasion.

THE LEADER congratulates Abe Lincoln W. R. C. No. 49 upon the manner in which it has been recognized-an honor which it entirely merits. It is, numbers considered, the best Corps in the state, and its members have a word, "Fraternity."
