

To the Public:

We wish to inform the people of Lincoln county that we are located in Toledo with a general stock of hardware and such articles as the farmer, sawmill man, fisherman, carpenter, logger, or, in fact, anybody—or his wife—may need in our line. We show also a full line of plows, cultivators and harrows. We will be glad to have you call and see us before purchasing. Remember, we are the only exclusive hardware firm in the county.

PENDLETON, Or., March 22, 1904.

A passerby called out "Police!"
A neighbor summoned the patrol;
The janitor, he hollered "Fire!"
And things were doing—on my soul!

The cops en masse tore up the street;
The hurry wagons speeded thence;
The firemen and the "Rescue Hose"
They quickly came from many whence.

Before the house the trembling crowd
Drank in with fright the awful roar.
Gad zooks! So wild the screaming was
None dared to break the outer door.

Full half the populace was there
And almost tumbled in a fit
When Jones announced the scare was
off—

'Twas only seven playing "Pit."

Uncontaminate.

Frances has been brought up in a strict Presbyterian household, and in all her nine years had never attended service in a church of another denomination.

While on a visit with her mother to a part of the country far from her own home she entered the parlor one Saturday afternoon and eagerly asked:

"Oh mamma, may I go to the 'Piscopal church with Gertrude tomorrow? I'll promise not to believe a single word the minister says!"—L. C. Tulloch in April Lippincott's Magazine

RAILWAY TIES.

Nearly 90 per cent of Germany's railways belong to the government.

One of Them.

"I am sorry to hear your unfortunate nephew has been closed out by the sheriff," said the friend of the family. "Have you any idea what his liabilities are?"

"Yes, I've an idea he's liable to call on me for help about the fust thing he does," responded Uncle Silas.—Chicago Tribune.
