Mr. and Mrs. F. C. Wadsworth, who had been visiting the former's parents, Mr. and Mrs. F. M. Wadsworth, left last Saturday for their home at Portland, with the intention of visiting in Albany a couple of days. Chapin Wadsworth is one of the Toledo boys who is doing well, holding a responsible and creditable position with the American Type Founders Company. But few men gain recognition of their ability and worth so early in life. His example and success are worthy of note. Other Toledo boys can do as well if they will only make good use of their time in the school-room and then get out into the world and hustle.

Colonel Hofer of Newport, editor of the Salem Journal, passed through Tuesday morning en route to Albany, where he expected to meet several other wealthy citizens and proceed to the granite quarries near Mill City. These gentlemen contemplate forming a soulless corporation for the purpose of developing the fine granite and building stone quarries in the vicinity of Mill City. It is a big proposition, and the parties interested will probably place it among the important enterprises of Oregon.

Mrs. George Baumann and son Ned arrived Monday evening from their home in Gold Hill and will visit four or five weeks with Mrs. Baumann's uncle, Fred Bailey, at Oyster City. Mrs. Baumann reports that George is doing well but they expect to find a more pleasant spot when they have "made a stake." Her father, Moses Gregson, is still in poor health and will locate in California, hoping that a change of climate may prove beneficial.

W. R. Craven of Dallas was in the city Wednesday. He seems to have a favorable opinion of Toledo, and may decide to locate here and engage in the dry goods business, with other parties. Mr. Craven is an experienced business man, having conducted a general merchandise establishment at Dallas and a grain elevator at Ballston. He went to Newport Wednesday evening and will soon decide as to the future.

J. E. Franklin, the somewhat musical and amphibious local agent of the Corvallis & Eastern, received a beautiful bathing suit Wednesday, a present from J. Harvey Roberts of Albany. Mr. Franklin is delighted with the handsome, stylish and seasonable gift and expects to attract more than passing notice when he takes his daily dip. Everybody is cordially invited to be present.

L. J. Richards and Robert Trinaman left Monday morning for the harvest fields in the vicinity of Walla Walla, Wash. After harvest they will return to Toledo, Mr. Richards having decided to locate at some point in the county. The gentlemen came from Michigan with W. L. Haines.

Dr. E. C. Paine of Eugene passed homeward yesterday morning. The doctor has invested in a cottage at Nye creek and will build an addition thereto before the opening of another season and be prepared to enjoy life with his family at the leading summer resort of the Pacific coast.

Mrs. C. G. Copeland and daughter Esther were in the city last Friday. Miss Esther left next morning for a visit with George Chambers and family near Chitwood.

Henry Koch and family arrived Tuesday evening from Eugene and are look ing for a ranch to lease. They are temporarily occupying the Crawford place.

Dr. and Mrs. S. S. Thayer, who had been visiting the latter's parents, Mr. and Mrs. C. B. Crosno, returned Monday to their home at Brownsville.

Miss Martha Rache returned Tuesday from Portland and went to Newpost, to remain during the summer

Fred Thayer returned Monday morning from an onting at Seal Rocks and Newport, leaving next morning for the

County Superintendent Geo. Bethers left Tuesday morning for Portland, as a delegate to the A.O.U. W. grand lodge.

Mrs. Austin Altree arrived Monday evening from Portland for a visit with relatives and friends.

A. J. McMillan left Wednesday on a ten-day's visit to British Columbia.

Oregon Development League.

As announced by THE LEADER last week, the Commercial Club of Port-Oregon Development League, which will have for its purpose the develop-Oregon.

Acting upon the suggestion of the Commercial Club, County Judge C. M. Brown has appointed the following citizens to represent Lincoln county in the Oregon Development League convention, to be held at Portland, in the Marquam Grand Theater, August 2

C H Gardner, O O Krogstad, Geo L McCaulou, M Wygant, H Lewis and Ed Wade of Toledo; John Loomis of Newport; CL Diven of Waldport; Marion Mays of Elk City: Walter Hall of Siletz.

The railroads have made a rate of one fare for the round trip from all points, tickets good on all trains arriving in Portland on the afternoon of August 1 and the morning of August 2, good to return until the evening of August 4.

The Commercial Club makes the following suggestions, for the guidance of delegates in presenting the facts regarding the resources of the county:

"In order to secure the best results, every element of boom should be eliminated. Exact reports as to what individual growers have accomplished are what is desired. Plain and direct statements are wanted, giving actual results as to cultivation, growth and marketing of all agricultural products, fruit and moved into town. livestock, accompanied by the name of the grower and location of the land. Generalities, no matter how delightfully put, are of little value."

The great railroad systems traversing daughter of Titus Kurtichanov of Chit-Oregon have several thousand men actively engaged in securing immigration, and these same railroads have industrial departments which will co-operate with cities and towns on thefr lines in the location of manufacturing enterprises, and they want to know just exactly what has been accomplished and reports will be asked for from all of the interests represented through delegations, and no feature of the program will be more advantageous and interesting

During both days of the convention and at all hours, the rooms and especially the tower of the Commercial Club, will be open for the use of delegates.
