MARRIED.

PRUETT-CUMMINGS—At Yaquina, Or., in the Blaser Hotel parlor, Wednesday, August 10, at 6 o'clock a. m., Mr. S. A. Pruett and Miss Ethel Cummings, Rev. C. M. Brown officiating.
This interesting event took place in the presence of a select number of invited guests and was followed by a long and loud salute from the whistles of the steamers Roscoe and Richardson and a couple of locomotives. The happy couple immediately boarded the train for Albany, and from Yaquina to that place it is said to have been one continuous shower of congratulations, rice, old shoes and steam whistles. The train men seem to have circulated the news where it would do the most good.

Nearly everybody knows the groom. Those who don't know him have probably heard him laugh. He has a host of friends all along the line.

One of the guests furnishes THE LEADER with additional particulars, after the above attempt had been put in type:

"After congratulations all repaired to the dining-room, where a dainty breakfast was served.

"The bride looked charming in a dress of dove color. The groom was becomingly attired in a very dark gray suit.

"Mr. Pruett is a well-known and highly respected citizen of this county, having been in the employ of the Corvallis & Eastern Railway Company for a number of years.

"Mrs. Pruett is a Clackamas county girl of high standing. They will be at home in Yaquina to their many friends after August 24."

Mr. and Mrs. Rite Dedrick departed yesterday morning for Salem, where they will visit for a couple of weeks and then proceed to Coos Bay by the steamer Alliance from Portland. Mr. and Mrs. Dedrick have for years been good citizens of Toledo, and they leave only friends behind, who expect to welcome them back in the not distant future. They had reached the conclusion that their interests demanded a temporary change of residence, but left Toledo with regrets. The hope is general that happiness and prosperity will abide with them during their brief sojourn in the Coos Bay country.

Wild Bald of Bill Mountain stopped at Toledo last Saturday on his way home from an unsuccessful bear hunt on Little Elk or somewhere. A bear has killed a number of sheep for Charlie Altrees recently, on his place just west of town. Bill and his dogs and several citizens went after the beast on Sunday, but he didn't appear to be at home.

John I. Butterfield of Kernville and L. D. Wood of Siletz were in the city Monday night. The former mingled with his Masonic brethren at their regular communication.

Mr. and Mrs. Joseph Blower and son Cecil were visitors from Mill 4 Monday.

Said bids will be received up to 12 o'clock, noon, of the various days upon which they are listed to be opened in above schedule, and must be enclosed in sealed envelopes directed to John J. McKoin, Superintendent, Siletz, Oregon. Envelopes containing such bids should not have noted thereon the description of the lands to which the bids relate, but there shall be noted on such envelopes the date upon which the bid is to be opened.
JOHN J. MCKOIN,
Supt. and Special Disbursing Agent, in Charge of Siletz Agency, Oregon.

Commissioner George King of Wiant had business in the city Wednesday.

Al Waugh and family are occupying their summer cottage in Toledo for awhile, after a protracted stay on their farm over on the Siletz.

Willie Franklin is holding down a position in the C. & E. office at Newport during the busy season. He is rapidly developing into a 'way-up operator and railroad man, and is also getting there in other important lines.

County School Superintendent George Bethers and County Clerk Ira Wade returned Monday from their home-stays near Kernville. In going and returning they passed over the Newport-Siletz wagon road, which is nearly completed to Depoe Bay. They speak in the highest terms of the manner in which Foreman Plank and Supervisor Robertson are pushing this road to completion and say the County Court made no mistake in selecting Mr. Plank to supervise its construction. It is the best mountain road they have ever seen constructed under such difficulties. The settlers of the lower Siletz and along the route are to be highly commended for the interest they have taken in having this road built, nearly all of them having contributed from two to three weeks' work.

J. H. Wilson of Corvallis arrived Tuesday evening, and next morning entered upon his contract of examining or experting the county records, which, it is believed, will require about six weeks. He has just completed a similar contract for Benton county. Mr. Wilson is regarded as one of the best men in the state at this work.

G. S. Parmele of Kernville had business in the county seat Wednesday. He also says that Newport-Siletz Bay wagon road "is just fine, as far as it's finished."

Mrs. Ellen Nute, who has been visiting her parents, Mr. and Mrs. George L. Boone, at Mill 4, passed through this morning to her home at Medford.

Mrs. Hattie B. Tracy of Newport passed through Wednesday morning en route to Grangeville, Idaho, where she will remain during the coming year.

Earl Frank, the wide-awake C. & E. train dispenser of news, peanuts and things, had pressing business in Toledo Sunday night.

County Clerk Ira Wade and County Superintendent George Bethers came in Tuesday from their homes on the lower Siletz.

Everybody joins in best wishes to Mr. and Mrs. Pruett. They will in a few days be at home in Yaquina.

TOLEDO A MUSIC CENTER

More Pianos and Organs Sold in Lincoln County According to Population Than in Any Other County in the State.

This statement was made by Mark H. Savage, representing the Allen & Gilbert-Ramaker Co., the largest piano and organ house in the entire Northwest. Coming as it does from one who has sold instruments in nearly every county in the state, it speaks volumes for the culture and good citizenship of our people, as there is nothing that so surely points to those attributes as the love of music.

This is Mr. Savage's third trip to Toledo with pianos and organs, and he has brought with him some of the very best instruments carried by this well-known firm, and has them on exhibition in the Landreth building, where he will be pleased to have the people call, whether they intend purchasing or not. Mr. Savage has sold to some of the best people of the county, covering a period of over five years, and he has never had a dissatisfied customer. This is the very best recommendation that a firm and its representative can have, as it surely shows square dealing.

It will pay those who are contemplating purchasing an instrument to call on Mr. Savage and let him show his goods and explain the easy-payment plan on which his firm sells. Anyone who really wants an instrument can have one by paying a little each month. You will not miss the money, and in the end you will have something you will be proud of, and something that will give you more real enjoyment than anything in which you will invest a like sum of money. Don't put off calling, as this opportunity will last but a short time.

A Jolly Affair.

Odd Fellows Hall was the scene Tuesday night of one of the most pleasant events of the season—that is, it averaged pleasant. It was a reception given by the members of the Woman's Relief Corps, G. A. R., Rebekahs and Odd Fellows to Mr. and Mrs. Rite Dedrick and Mr. and Mrs. C. A. Dick, who will (temporarily) locate in other parts of the state. The good time opened with a brief program. Mrs. Ella Stewart, the Corps musician, furnished the usual excellent instrumental selections and Mrs. Agnes Bryant and Miss Faith Stewart supplied choice vocal numbers. Otto Krogestad came to the front with a select reading dedicated to the Rebekahs and Samuel Center delivered in a thoroughly artistic manner a poem requiring much dramatic ability. While we are aware that comparisons are odious, we know we will be pardoned for placing Mr. Center's number at the top. At the conclusion of the program remarks were made, by invitation, by Messrs. E. H. Bryant, B. F. Swope and George Bethers. This was the only really solem period of the evening, the speakers dwelling to some extent upon the sentiment: "'Tis sad to say good-bye." The remarks, however, came from full hearts, and were appreciated. Excellent ice cream, cake and coffee followed, and then an effort was made to resurrect Bingo, but for the first time in his life the famous dog was dead (Pardon the paradox.) A laughable pantomime game was carried through very successfully. It was nearly midnight when good-byes and best wishes were extended to our departing friends.

Lee Wade had business at Newport Wednesday night.

Miss Stella Davis of Philomath is visiting her aunt, Mrs. George Bethers. Mr. and Mrs. Thomas Leese of Corvallis were Sunday visitors in their Toledo home.

James McDonald of Chitwood was in the city Monday night—as usual when the Masons are busy.

Neil Newhouse, head sawyer in G. J. Gray's mill, is enjoying a visit this week at the Commercial Hotel from his wife and daughter, Miss Lula.

Mrs. George Wadsworth left Wednesday morning for Portland, after a three-weeks' visit with Mr. and Mrs. F. M. Wadsworth. George expected to come down before her return, but was prevented by a rush of work, he at present being the only electrician in the employ of the O. R. & N.
