

A Child Can Buy as Cheap as a Man at Stewart's

## Let's Have a Talk:

NOW IT'S JUST THIS WAY: I have just got in my **Fall Stock of Dry Goods and Shoes.** These stocks are not the largest in Oregon, or anything like that, but

**They are Good-Sized Stocks and Well-Selected, Seasonable Goods**

I am selling them a little closer than the same quality of goods were ever sold for before in Lincoln county. To be honest, I have got to sell them, as I must keep things going.

Maybe you do not trade with me; maybe you do; but whether you do or not, wouldn't it be fair to look my stock over and see what I've got, and what I ask for it?

I am still selling **Clothing at Cost**, but you will have to come soon for a good selection.

That 20 cent Ladies' Hose is a cracker-jack, all right. I can't tell you all of it. Come in and see the goods.

### WINTER EXCURSION RATES.

#### A New Departure on the Southern Pacific and Corvallis & Eastern Railroads.

Recognizing a long-felt want, and desiring to give the public cheap rates to the coast in the winter as well as the summer, for persons who desire to see the bounding billows in their wildest moods and imbibe the pure ozone of the winter air at the coast, the Southern Pacific Company in connection with the Corvallis & Eastern Railroad have placed on sale, taking effect November 2, 1904, and continuing until March 31, 1905, from all points on their lines, round trip tickets to Yaquina at the same rate as during the summer. These tickets will be sold on Wednesdays and Saturdays only and will be good for return sixty days from date of sale.

Dr. Minthorn's sanitary baths will be in operation and anyone who desires a genuine health resort during the winter cannot do better than spend a month or so at Yaquina.

Similar tickets will be sold from Albany, Corvallis, Philomath and all points west on the Corvallis & Eastern Railroad.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon.
