## Good Roads Meeting.

The good roads meeting, which had been advertised more or less, was held at the courthouse yesterday afternoon under the auspices of the Farmers' Association of Chitwood. A. L. McDonald, chairman of the Association, presided. About twenty citizens of the county were present, and considerable interest was manifested. The bad roads were probably responsible for the small attendance.

Interesting talks were made by Chairman McDonald, J. F. Stewart, F. M. Stanton, I. J. Pepin, Kasimir Busch, D. J. Chitwood, E. W. Kyniston, John McCluskey, C. H. Gardner and County Commissioner George King.

The idea of the various road districts levying special taxes for the construction of permanent roads seemed to prevail with the majority who spoke and it was decided to adjourn to June 22. On that date a dairymen's meeting will be held in the forenoon, the adjourned good roads meeting in the afternoon, with a picnic dinner between. Lack of space at this late hour forbids more extended notice. However, remember the date—and talk and work for good roads.

## Cold Storage Plant.

G. E. Reeve and family, recently of Salem, have become citizens of Toledo and are occupying the Dr. Thayer property over on the north side. Mr. Reeve will be associated with H. D. Blakely in the cold storage plant to be established in Toledo in the near future. The old creamery building on the southside tideland on Depot slough has been secured for the purpose and Mr. Blakely is now in Buffalo, N. Y., purchasing the machinery, which will probably include the necessary equipment for the manufacture of sash and doors. The plant will probably be ready for business before September 1 of the present year.

## Bids Wanted.

Notice is hereby given that sealed bids will be received by the County Court of Lincoln county for painting roof and outside of Courthouse. Separate bids will be received for work and material and for work alone. Said bids to be opened at 1 o'clock p. m. June 8, 1905. The Court reserves the right to reject any or all bids.

By order of the County Court.  
IRA WADE, Clerk.

STEWART'S STORE.

Mart Glass of Yaquina had business in the county seat Monday.

Dr. M. M. Davis of Newport was a passenger valleyward Wednesday.

A. O. Hooker and family, formerly of Storrs, are now citizens of Toledo.

Captain W. R. Wakefield of Waldport had business in the city Wednesday.

Mrs. Bert Boles of Yaquina returned Wednesday evening from a month's visit with her parents at Dunreath, Iowa.

Kasimir and John Busch and Henry Myers represented the Drift creek country yesterday at the good roads meeting.

Captain Dick Evens and his launch Leslie H. were up from Newport Tuesday and Wednesday after a scow load of stove wood.

James McDonald of Chitwood sells beehives at from \$1.50 to \$1.95 each, complete; freight prepaid to Toledo on order for 5 or more.

T. G. Coleman, the popular traveling representative of Wadhams & Kerr Bros. of Portland, was telling our merchants all about it Wednesday.

M. J. Thompson has a Norwegian bible printed in 1832, which he will exhibit at the Fair. It is a large volume, and, age considered, in good condition.

Mrs. D. Jenkins of Albany, who had been visiting at Yaquina, returned to her home Monday. She expects some day to again become a resident of the bay.

Chauncey Hawkins returned yesterday evening from Eugene, where he is a student at the High School. He will improve his father's farm during the vacation season.

Somebody seems to be constructing a telephone line along the Toledo-Newport road. We failed to learn the name of the guilty party, but Jim Gaither seems to be bossing the job.

Jacob Burkel, Toledo's baker, now has his establishment in complete running order and is putting on the market all kinds of good things in his line. See his ad on another page—and remember it.

H. E. Collins departed Wednesday morning for Medford, where he will visit awhile with his son Robert, and later with friends at other points in the southern part of the state. He hopes to be benefited by the change of climate.

George K. Freeman, the painter and decorator, who has been doing some work at Newport, returned Monday to attend to some pressing jobs in Toledo. Mr. Freeman is an artist in his line, and our people show their appreciation by keeping him busy.

Superintendent of Bridges and Buildings John Stevens and Construction Foreman Jim Brown are now riding the line on a gasoline power go-devil, with cushion seats. If they fail to speak as they pass by, you may know they are feeling slightly 'way up.

County Commissioner George King came up from Winant Monday evening with oysters and other shellfish for Lincoln county's exhibit at the Fair. Mr. King has charge of the fish end of the show and is on the hustle for good specimens all the time. He will send more in a few days.

City Marshal Al Hall returned Saturday from Albany, where he was treated a second time for cancer by Dr. Aktu. He has been a great sufferer during the past two months, but now has reason to believe the treatment has been successful. His many friends are glad to see him on duty again.

County Judge Brown departed Tuesday morning for Portland to install Lincoln county's exhibit at the Lewis and Clark Fair. A considerable portion of the exhibit has been shipped and it is quite probable that but little will be missing on opening day—that is, of the perishable articles. Shipments of fruits, vegetables and honey will be made as often as needed. Our fruit and vegetable growers are again urged to prepare their best for the big show. If you have anything in this line for exhibit, please notify the secretary, C. F. Soule, two or three days before it is ready for shipment. All expenses of securing these articles will be paid from a fund set aside for that purpose. All products exhibited will bear the grower's name and address.

Miss Kate Blower of Albany passed through to Mill 4 for a visit with her folks.

Attorney B. F. Jones returned yesterday evening from a business trip to various valley points.

A. L. McDonald, I. J. Pepin, D. J. Chitwood and George Chambers all of Chitwood, attended the good roads meeting in Toledo yesterday.

County Surveyor Wygant registered a claim Wednesday to the first green peas of the season. We have it on pretty good authority, however, that Mrs. Wygant and two youthful sons were the enterprising gardeners.

## Mixed Teams Meet.

The Toledo baseball grounds were coated with mud last Sunday and rain fell at intervals throughout the day, but there was a ball game, just the same.

Billy Hoefflein, with four other Yaquina players, and one from Newport and three from the valley, came up in a launch on a pleasure trip, the disagreeable weather having chased away the prospect of a game. However, nine Toledo Webfooters got together and at it they went. Only eight innings were played and the visitors won easily by a score of 14 to 4. Toledo's team was a mixture, also, being composed of four Tigers, four Ballephants and one foreigner—Fred Stanton. The locals were badly handicapped by the slippery grounds, none of them being sharpshod. The Willamette valley boys and some of the Yaquina players were prepared for the occasion and their toeplates kept them from rolling in the mud whenever they attempted to move. The locals' battery was also a brand-new one, Samsel going behind the bat for the first time. In full dress, including toe claws, the visitors had all the best of the heavy going, but Toledo's regular team, properly togged, can give them a different argument. Perhaps they will come together in the near future.

The score card which was handed us was so muddy that it could not be deciphered, and we are compelled to omit the line up and other particulars.

## Died.

At his home in Yaquina, Or., Friday night, May 19, 1905, Alonzo Stout, age 44 years, 7 months and 28 days.

The funeral service, conducted by Rev. C. R. Ellsworth, was held at the home, followed by interment in Newport cemetery.

## Obituary.

C. J. Derrick died at his parental home near Eddyville, Or., in the morning of May 22, 1905. He was born in this county April 11, 1878, his age being 27 years, 1 month and 11 days. He leaves an aged mother, seven brothers and four sisters to mourn the loss of a loving son and brother. He had many relatives and friends, and was respected by all. He spent most of his life here, and nearly the whole community came to assist in laying him to rest, and to extend their sympathy to the bereaved ones. His grave was covered with beautiful flowers, tokens of love and respect.

His suffering is ended,  
His cares are all o'er,  
From Earth's joys and sorrows  
He rests evermore.

A FRIEND.

## Card of Thanks.

We wish to express our sincere thanks to many friends for kindnesses shown during the illness and after the death of our beloved son and brother. MRS. DERRICK AND FAMILY.

## Memorial Day Exercises.

Memorial Day, May 30, 1905, will be observed in Toledo by members of the Grand Army of the Republic and Woman's Relief Corps, who will meet at headquarters (Fish's store) at 9 a. m. Here the column will form and march to the cemetery, where the graves of comrades will be decorated and memorial services held. Conveyances will be provided for the W. R. C., and those who are unable to walk that distance.

In the afternoon, at 1:30 o'clock, the comrades and ladies of the Relief Corps will meet at headquarters, form in column, and, led by the Toledo Martial Band, march to the Courthouse, where the Memorial address will be delivered by Judge Lawrence T. Harris of Eugene.

A musical program for the occasion will be arranged by Sheriff J. H. Ross, which is a sufficient guarantee of its excellence. The invocation by Rev. Bryan will follow the first musical number.

After the exercises in the Courthouse, the ladies of the Relief Corps, accompanied by the comrades and citizens, will proceed to the city wharf, where services will be held for the sailor dead.

All old soldiers, fraternal orders, citizens and school children are invited to participate.

By order of Committee.

## Memorial Sunday.

Comrades and ladies of the Relief Corps will meet at Comrade Fish's at 10 o'clock a. m., and go in a body to the Methodist church to listen to an address delivered by Rev. Bryan.

## Might Have Been Worse.

While showing some fellow-citizens Wednesday how his new rifle worked, Dr. Thomas Parker accidentally discharged the weapon. The Doctor was standing on the sidewalk on Water Front row, not far from Peterson's jewelry store. The bullet plowed a furrow in the ground about fifty yards northeast, struck a stone, glanced upward and passed through a window in the southwest corner of Dr. Wetmore's residence. Mrs. Wetmore was standing at the window and the bullet went less than a foot over her head, struck the ceiling and fell to the floor. Dr. Parker was summoned before Recorder Krogstad, who assessed him \$5 for the lapsus triggerus. This regrettable incident should be a valuable lesson to every sportsman. Firearms should not be loaded within the city limits. Accidents will happen, and all do not result in a mere case of fright. Just picture the result had Dr. Carter been standing where Mrs. Wetmore stood!

## Bids Wanted.

Notice is hereby given that sealed bids will be received by the County Court of Lincoln county for furnishing galvanized iron and putting gutters around the eaves of the Courthouse. Bids to be made by the foot or yard. Said bids to be opened at 1 o'clock p. m. June 8, 1905. The Court reserves the right to reject any or all bids.

By order of the County Court.  
IRA WADE, Clerk.
