Johnson Items.

Several Valley friends came in last week to visit Uncle John Bones—Carrie Gilson, William Durst and family, with several others.

John Baxter bought barb wire of G. S. Parmele and sons to improve his farm.

Mr. Lucey has the contract for splitting shakes to recover the cannery.

William Dick has his land, 400 acres, all fenced in. Our Indian citizens are very industrious—ahead of many white men.

Clarence Parmele left for Toledo Friday in a two-horse rig.

The Della came in last week with supplies for John Bones' store on Siletz bay.

Orders are in for the lumber for three new stores and one saloon. Who says our country is not booming? Two of the stores will be on Siletz bay, the other at the mouth of Devil's Lake. The saloon will be on Salmon river. Who will put in five more saloons? Competition is the life of trade.

The Gerald C. will be in about the 15th with 25 tons of freight for G. S. Parmele, consisting of brick, lime, cement and shingles—the first cargo of that kind ever brought in here.

Here's a Good One.

With the June number will begin the Pacific Monthly's series of special editions for the year 1905. They will comprise a number for Portland, for Seattle, for Southern California, for San Francisco and the souvenir number of the Lewis and Clark Exposition, also a special automobile number. The articles of Dr. Wolf von Schierbrand, six in number, on "The Coming Supremacy of the Pacific" are also promised, and the plans contemplated by the publishers will, without question, place the Pacific Monthly far in advance, not only of present competitors, but also into the unreachably class of periodical literature on the Pacific Coast. The Pacific Monthly is sold to regular subscribers at the extremely low price of \$1 per year. We have made an arrangement with the publishers by which we are able to offer it in connection with THE LEADER (both publications) for \$1.50 a year.
