Additional Local Notes.

Miss Ethel Gray was a passenger for Albany this morning.

George Landreth sells the best talkophones on the market. Hear them.

Arthur Tongeland went to Philomath this morning to visit friends until after the 4th.

Father Bucher was over from Siletz Wednesday. He confesses that he is becoming a camera fiend.

Mr. and Mrs. C. L. Litchfield and son of Yaquina are visiting at the home of Mrs. Litchfield's parents, Mr. and Mrs. John McCluskey.

Smokers, try the Tom Cat 5-cent cigar at Landreth's. With each 100 bands from these cigars you get a ticket to the Lewis and Clark Fair.

Rev. S. W. Beatty of San Francisco lectured at the M. E. church last Friday evening on child training and Sunday school work. Those present speak in highest terms of the lecture.

Louis Colvin was up from Yaquina Tuesday, where he is engaged in building boats and things. He will be kept busy there for some time.

Mrs. George Hoeflein, Miss Bertha, her daughter, and her son Oca returned Wednesday evening from a visit with relatives and friends at Coburg and Eugene.

Mrs. Mary Day returned Monday from Portland, accompanied by her father, J. W. Burnham, who has been receiving treatment at a sanitarium for several weeks, with apparent benefit.

J. R. Hall of The Dalles arrived Saturday evening and went to Siletz next day for a visit with Messrs. Walter and Warren Hall and sisters. Mr. Hall will also visit the Pacific before returning.

The roof of the city more-or-less-strong box caught fire Monday night from a defective flue. The obstreperous boy confined therein was saved from roasting by City Marshal Joe Hill and other citizens.

Al Hall returned last Friday night from Albany, where he has been undergoing treatment for cancer. It is hoped this is his last trip on account of that trouble. He has certainly been having a run of hard luck.

Hoxie Simmons of Siletz was in the city Monday. He had just returned from the Salmon river country, where he found some "stray" stock which belonged to him, and which had been purchased by an innocent party.

J. S. Akin, a former well known citizen, has returned to Toledo and will embark in the dry goods business in the south room of the Landreth building. Mr. Akin comes to fill a long-felt want. Tell you all about it later.

George Newberry arrived Wednesday evening from Portland and went on to Siletz. George now holds the position of stenographer in the office of the manager of the Oaks, a famous park resort of Portland. He will return to his duties tomorrow.

Mr. and Mrs. Austin Rosebrook returned last evening from Portland, accompanied by their son Dave, who camped over night with them and lit out for Catalina Island, the famous California resort, where he has an engagement as cornet soloist.

County Surveyor Wygant and family left last Sunday for the northeast part of the county, to be absent about six weeks. Mr. Wygant has a job of surveying up there for Uncle Sam. We understand he also has an able assistant in W. F. Allen of Bald Mountain.

The hot air and familiar old brand of mud oozing from the Newport News is just as harmless as ever. Friendly and kindly criticism of honest citizens relative to the county exhibit at the Fair makes some impression, but their assistance and a few words of encouragement would be more effective. The charge that there has been a lack of earnest, honest effort on the part of the committee is false—net—and the effort is being continued. In the face of so much indifference, secret opposition and loud knocking, is it any wonder the showing is not better? However, Lincoln county's little exhibit commands the respectful attention of visitors from the east, and before the close of the Fair it will present a much better appearance. Meanwhile, wouldn't it look much better and result in more good to the county if every citizen who is able would help instead of hinder?

An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weatherred, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street, Portland, Ore., for booklets picturing Colorado's famous scenery, and any other information you may desire.

Acute Rheumatism.

Deep tearing or wrenching pains, occasioned by getting wet through; worse when at rest, or on first moving the limbs and in cold or damp weather, is cured quickly by Ballard's Snow Liniment. Oscar Oleson, Gibson City, Illinois, writes, Feb. 16, 1902: "A year ago I was troubled with a pain in my back. It soon got so bad I could not bend over. One bottle of Ballard's Snow Liniment cured me." 25c, 50c, $1. Sold by O. O. Krogstad.
