CHOLERA INFANTUM.

CHILD NOT EXPECTED TO LIVE FROM ONE HOUR TO ANOTHER, BUT CURED BY CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer.

"We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by O. O. Krogestad.

AN OVERDRAFT.

The Reason For a Peculiar Request Received by a Bank.

"We often receive peculiar requests for overdrafts," said a banker the other day. "A client whose standing account had never exceeded \$1,000 requested us to grant him an overdraft of \$4,000, stating that he was not able to offer any explanation at the present, but assured us that at no time would the bank be in any danger of losing, as the overdraft would not be real."

"After some hesitancy we consented, but stipulated certain conditions and reserved the privilege of refusing if these conditions were not followed."

"Shortly after his departure a well dressed gentleman came in and handed to our paying teller a check for \$5,000 bearing the signature of our client and with it a letter requesting us to honor the check with cash. This letter was one of the conditions we imposed for our safety. Still feeling that we were taking a chance, the money was passed out to him. After holding the currency a moment in his hands he returned it, with a request for the check, which he destroyed before us."

"On the following day our client thanked us for our courtesy and waived the overdraft privilege, saying that he had no further use for it. He had with him a check for \$5,000, which he deposited. This he had won from his friend on a bet. He had bet that he could negotiate an overdraft for that amount without first explaining that it was a bet and the nature of it, and his friend wagered that no bank would trust him for that amount."—Kansas City Star.

IRISH STORIES.

Some Droll Answers and Ready Wit From Hotel Waiters.

Of stories of Irish hospitality Mr. Macready had a full supply; also of hotel attendants and the pansantry. On one occasion he asked the girl in attendance for poached eggs. She looked a bit nonplused at first, but after a little hesitation replied, "There are no poached eggs in the place, sir, but I think I could get you some poached salmon."

In a poor little cottage of two rooms he saw a married couple and seven children. Hearing a baby cry, he asked to see it and explained that he took an interest in babies, having one at home. The infant was produced for inspection, and the mother asked proudly, "Is yours as big as that, sir?" To which he replied, "I think it is a little bigger." Instantly the instincts of the mother were roused, and, tossing her head, she said: "So well it might be. That's only half of ours; the other half is with God. We had twins."

At a hotel one of the party asked, "Have you got any celery, waiter?" "No, sir," was the significant answer. "I relies on me chances." That man deserved an extra tip. On another occasion the dinner was especially good and well served. At the conclusion one of the party remarked, "You're an angel, Pat." "I am, sir," assented Pat, "but I fly low."—London Telegraph.

"Thou" and "You" Abroad.

The only safe rule for the Englishman abroad is to stick to "you" in French or German. "Tutolement," or "theeing and thouing," would imply a deliberate intention to insult, a patronizing assumption of indisputable superiority to the person addressed or such familiarity as is proper only between lovers, parents and children and intimate friends. At one time every individual was "thou," but after flatterers began to call Roman emperors "you" (monarchs remain "we" to this day) the polite plural spread until in Louis XIV.'s time only servants were "thou" in France. The restoration of "thou" as a pronoun of familiar endearment is due to Rousseau and the revolution. It has survived throughout in poetry and in addressing the Deity. —London Chronicle.

Here's a Good One.

With the June number will begin the Pacific Monthly's series of special editions for the year 1905. They will comprise a number for Portland, for Seattle, for Southern California, for San Francisco and the souvenir number of the Lewis and Clark Exposition, also a special automobile number. The articles of Dr. Wolf von Schierbrand, six in number, on "The Coming Supremacy of the Pacific" are also promised, and the plans contemplated by the publishers will, without question, place the Pacific Monthly far in advance, not only of present competitors, but also into the unreachably class of periodical literature on the Pacific Coast. The Pacific Monthly is sold to regular subscribers at the extremely low price of \$1 per year. We have made an arrangement with the publishers by which we are able to offer it in connection with THE LEADER (both publications) for \$1.50 a year.
