Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump in my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty-cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." 25c, 50c, \$1. Sold by O. O. Kroghstad.

The Reason.

"Our children cry for bread," was the sad and startling inscription on a banner which was carried in a procession of eighteen thousand men through the streets of Chicago. And the procession moved to a grove, and rested, and drank one thousand four hundred kegs of beer.—Dial of Progress.

A Texas girl advertised for a husband and got him. The total expense for advertising, wedding outfit, etc., was \$11. Within a year he died, leaving her an insurance policy of \$10,000. And yet some people claim it don't pay to advertise.
