WINTER RATES TO YAQUINA BAY
Oregon's Great Recreation and Health Resort at the Newport Beaches.

As a winter health and recreation resort Newport is the one par excellence. Recognizing this, and wishing to give the people an opportunity to breathe the fresh, pure ozone of the ocean, the Southern Pacific and Corvallis & Eastern railroads will resume the sale of tickets through to Yaquina bay on Saturday, October 21, and will sell same throughout the winter and spring on every

WEDNESDAY AND SATURDAY.
The rates will be the same as during the summer and will be good for return 30 days from date of sale.

DR. MINTHORN'S SANITARY SEA BATHS will be in operation during the entire winter, and treatments will be given daily. Hot and cold salt water baths can be taken every day in the sanitarium, and for anyone desiring rest, recreation and health, no place on the Pacific Northwest can be found equal to Yaquina bay.

OTHER HEALTH RESORTS CLOSED.
During the winter nearly all other health resorts are closed or difficult to reach, and none of them have the advantages of Newport and vicinity as regard climate, points of interest, recreation and amusement. For parties desiring to enjoy fishing, hunting or seeing the ocean in sunshine and storm this famous resort is unequalled. The surroundings are ideal—beautiful scenery, climate mild, healthful and invigorating.

COTTAGE TO RENT CHEAP.
Neat, clean cottages, either furnished or partly so, can be rented in the immediate neighborhood of the sanitary baths at about \$5 per month. Plenty of fresh milk, vegetables, honey, fruit and all household necessities can be obtained at the lowest possible cost, while all kinds of fish and the famous rock oysters can be had in abundance for the trouble of securing them.

People troubled with loss of appetite, insomnia, rheumatism or run down from any cause will find Newport an ideal place to regain their health and vigor, or for rest and pleasure.
Full information as to rates, checking of baggage, etc., can be obtained from any S. P. or C. & E. agent, or from A. L. Craig, general passenger agent S. P. Co., Portland; of J. C. Mayo, general passenger agent C. & E., Albany, Oregon.

Rate from Albany, Corvallis and Philomath, \$3.50.

A Favorite Remedy for Babies.
Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by O. O. Krogstad.

Everything under this head is paid for at regular advertising rates and is not to be considered an endorsement of any candidate by this paper.

Waldport Items.

Nevens Barclay and Max Bales left for the Valley in search of work.

Bert Weist has opened a store in Mrs. Tyler's store building, and he will be pleased to see old and new friends.

Mrs. Sandendorf of Drift creek is spending a few days visiting her daughters, Fernie and Mable.

This week has been a record week for births, two having occurred. A daughter to the wife of A. Wheelock and a bouncing boy to Mrs. Chas. Bobell. All doing nicely.

Mr. Upton shipped 150 boxes of fine apples to Portland this week, and hopes to realize a nice margin on them.

The Waldport Hotel has changed hands again and is run under the management of Mrs. Rust Kent, who is doing nicely and her boarders all speak well of the bill of fare.

The ladies will give a bow and ribbon dance March 16, for the benefit of organizing a literary society.

Chitwood Items.

The Farmers' Association and Rural Telephone Company had a joint meeting on the evening of February 20 for the purpose of talking up the interests of the rural telephone in this community. After the business was dispensed with, next in order was recess, when the good ladies served us with pie and cake. A short program was next in order. There were some excellent selections by the Chitwood orchestra, and W. N. Cook and C. D. Wilson gave us some good music on their harmonicas, after which all returned home through a drenching rain, as happy as ducks.

On the evening of February 27 the farmers met to consider various matters. The main question talked on was of fencing the schoolhouse lot, which is to be done right away.

On the evening of February 26 the train brought in a family from Indian Territory by the name of Reid, through the influence of J. E. Wilson. They are the guests of J. E. and C. L. Wilson and have come to settle somewhere in this country. For the present they will live in a house belonging to L. F. Pepin. Mr. Reid is a sawmill man, and he may conclude to put up a mill somewhere in this county. Three other families came with them as far as Corvallis, where they rented houses and expect to look about and find locations if possible.

M. H. Wilson is expected home this week. He has been grafting in a nursery at Scappoose. His health is very poor and he is returning home to recuperate if possible.

Mrs. I. J. Pepin has returned home, after visiting her mother at Eddyville several days.

Siletz Items.

John Kentta has returned from a week's business trip to Devil's Lake.

Hall Bros. have leased the Metcalf place near town and will farm it the coming year.

Fred Chambers, who has visited his mother for several weeks, left for Portland on Monday.

Father Bucher has returned from an extended visit at Grand Ronde and other points in the valley.

By the judicious use of paint Rev. Mr. Rienhart has greatly improved the interior of the M. E. church.

A sawmill is badly needed at this place. It is a good opening for some enterprising man with small capital.

Lily, the little daughter of Joseph Gay, was buried last Saturday. The funeral services were held in the Methodist church.

It is reported that a man by the name of Kyle is examining extensive tracts of timber down the river with the idea of putting in a large sawmill on the lower Siletz.

The fish hatchery on Cedar creek has been abandoned for this season. The paraphernalia used in conducting the same was hauled up here last Sunday, and W. W. Smith, who has had charge of the hatchery, has departed for his home in Portland.

The road from here to Toledo is traveled more than any other road of the same length in the county; at present it is in a horrible condition, being almost impassable in many places. If the county Commissioners were obliged to take a trip over this road just now, we believe they would appropriate enough money to fix up some of the worse places, if nothing more.
