Charley Mulkey is back.

Some folks seem to be going to have a telephone line on Big Elk. They are getting out the poles.

Mrs. Kester has had a very sick spell caused by overwork and anxiety during the illness of the little boy. Both are now recovering.

Tom Kelley came over from Little Elk to visit B. F. Grant and family. He reports the coyotes are getting in their work yet on sheep and goats.

Our teacher, Miss Folmsbee, has the mumps, but is going ahead with her school. She says the pupils gave them to her, and she will stay with them until she gets well.

Mr. Davenport passed through the neighborhood on his way to his home on Gopher creek. He has been away several months with his family, and they seem very glad to get back again.

Eddyville Items.

James Winskill is working for P. A. Miller on the section.

H. S. Porter of Nortons purchased four cows from Mrs. E. J. Winskill and drove them home Thursday.

Jesse Robnett passed by here Wednesday. He states that he has taken him a homestead on the head of Wolf creek.

William Weltin, of the U. S. Navy, came in last week to visit his uncle, M. D. Weltin of this place, returning for duty Saturday.

Considerable excitement on Little Elk. Those coyotes are killing all the lambs and kids in that locality and are working this way with reinforcements. Something must be done in the way of donations to raise money to get those beasts run down, as very likely dogs will have to be brought from outside, and a very liberal bounty should be offered for every coyote killed. Will the people let Lincoln county be taken by these beasts and the sheep and goat industry wiped out of existence? It would be a big loss to the country.

GEORGE HALL.

Not if as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by O. O. Krogstad.

Sciatica Cured After Twenty Years of Torture.

For more the twenty years Mr. J. B. Massey, of 3322 Clinton St. Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and possible; and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by O. O. Krogstad.
