The Republican county ticket may be safely supported by any voter who recognizes ability.

Mr. Withycombe, Oregon's next Governor, will make a runaway race in Lincoln county. It is freely predicted that he will carry every county in the state, including Multnomah.

The First district has never had a candidate for Congress who possessed the ability and attractive personality of W. C. Hawley. Lincoln county can afford to hand him a handsome majority—say about 400.

The Newport gentleman who contributed an article to THE LEADER last week in reference to the present county officials, including Sheriff Ross, is one of the best-known citizens of Lincoln county. When he is in Toledo again he will probably call on the Reporter and tell the wise editor all about it.

THE LEADER has been very careful to keep within the bounds of truth when giving space to Witless Willie of the Newport News. That's what makes him mad. Willie is a real naughty boy; he kicks, bawls and goes into a spasm every time a contemporary contests his right to a monopoly of mudslinging; he wants everybody to pat him on his little empty, top-piece and call him a sweet little cherub, etc., but he can't catch even one little caress. We insist on dividing the time with Willie, but cheerfully permit him to do all the dirty lying.

B. F. Swope, as deputy district attorney for this county, has prosecuted with vigor every criminal case which he has tried in a Justice's Court in this county, and wherever there has been sufficient evidence, he has succeeded in either conviction or committal to the Circuit Court, as was true in the McCullum rape case, also in the case at Newport, both of which are referred to in this week's issue of the Reporter. In both of these cases the defendants were bound over to the Circuit Court, and then the duty of the deputy district attorney practically ended as to the prosecution, as District Attorney Brown takes full charge in the Circuit Court, or when the case is before the Grand Jury.

The juggling mathematician of the Reporter comes to the front this week with another bunch of "figgers," showing the amount Sheriff Ross has received as salary, and the amount he might have received—if he had only received it. Every cent of county expense is contained in itemized bills, which are kept on file and may be inspected by any taxpayer who desires to satisfy himself as to their character. We challenge the Reporter to prove that any one item of expense in connection with the Sheriff's office has not been reasonable or necessary. Facts continue to have more weight than jiggled figures, misrepresentations and insinuations.

Strayed or Stolen.

A bay horse, carrying saddle with light quilted seat, one stirrup gone; may also have bridle on. Missing since about May 6; last seen on road between Newport and Siletz. Leave information with Hall Brothers at Siletz and reward.
