Secretary Shaw views with alarm the prosperity of the country. This is enough to make Grover Cleveland prick up his ears and listen to the call of the wild.

Of course it was believed by the dear people that State Printer-elect Duniway wanted only a reasonable flat salary. But perhaps the dear people don't savvy good English when they hear it.

It is barely possible, although we are afraid to say it, that President Roosevelt is like the man in Kentucky who took aboard a fighting jag: He may be trying to cover too much territory.

With a good many Republicans the stand-pat habit is the result of false pride. Thoughtful men in all parties are not blind to the changes in conditions wrought by time. And these mild remarks are not an endorsement of the tariff-ripping idea.

Elk City Items.

We get our usual amount of rain and the tide still ebbs and floods.

Machinery for the Hodges sawmill made its appearance a week ago, and with the new engine and boiler he can do business, and with good management will be a paying business.

Parties are said to be making arrangements to put in a box and furniture factory here. Lots of timber for the manufacture of furniture on Big Elk and Yaquina.

Mr. Loudon of Pioneer has sold his ranch and will leave for new fields about the first of March.

Our school is progressing fine under the management of Prof. Clyde Knapp, and all seem pleased.

The game called football played on Elk City gridiron Sunday was an exhibition of great strength by some men and good running by others. If the game was played correctly here Sunday it should be prohibited by law, as a prize fight is not in it. At nearly every struggle either an Indian or a white man had to have the breath of life washed back into him with water and loosen up his clothing as in the case of a woman who had fainted. At the end of the last half or finish of the game we saw them carry off a dead Indian, or might as well have been; he was talking to the "Great Spirit" through his hat. The game resulted in a victory for Siletz, and we doubt very much if any of the boys forget it for ten days at least. No trouble to find black eyes in Elk City. Marsh Simpson says there has been a bull fight in his meadow.

Schooner Creek Items.

A Merry Christmas and happy New Year to you.

The wind Thursday night blew several old trees down and also the roof off Jesse Farrin's woodshed.

The people on Schooner creek are not all dead, but are building a fine log schoolhouse, 18x23, District No. 60.

Lee Breeding and Mr. Kerr were Schooner creek visitors. Mr. Breeding reports Mr. Kerr as doing fine on bachelor cooking.

Charlie Anderson cut his hand pretty badly while helping Walter Bones saw down trees, by jumping from a spring-board and striking his hand on an ax that was sticking in the tree stump.

J. W. Bones has made a start for a mutual telephone line in this vicinity by running a line from his store to his dwelling. We hope more people will make a start in the same line.

Miss Keefer is quite sick with heart trouble and we understand has sent to McMinnville for a doctor.

G. S. Parmele has returned home from a trip to Portland and Toledo.

Willie and Uncle Phinley Bones have gone to Toledo—one to attend court, the other to court.

Chesley looks lonesome since the Wolfs are gone. Cheer up Ches, they'll be back.

Chappie Havhaud, who cut his hand severely, is getting along nicely.

Arthur Cambest is helping John Bones build a new porch.

Harry Sharp and Kid Hall butchered a beef Thursday.

The people on and around Schooner creek have decided, in place of going to

the primary election to vote, to stay at home and split out one board apiece, and at the June election, split out two boards apiece, to help make bridges on the county road. We think we would get more benefit by so doing than by losing two days to go to vote for our County Commissioners.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. E. Lock, of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to recommend it." For sale by O. O. Krosgstad.

THE NEW YORK WORLD

Thrice-a-Week Edition.

Read Wherever the English Language is Spoken

The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

The Thrice-a-Week World is fair in its political reports. You can get the truth from its columns, whether you are Republican or Democrat, and that is what you want.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.50.
