Do Not Crowd the Season.

The first warm days of spring bring
with them a desire to get out and enjoy
the exhilarating air and sunshine.
Children that have been housed up all
winter are brought out and you wonder
where they came from. The heavy
winter clothing is thrown aside, and
many shed their flannels. Then a cold
wave comes and people say that grip is
epidemic. Colds at this season are
even more dangerous than in mid-
winter, as there is much more danger
of pneumonia. Take Chamberlain's
Cough Remedy, however, and you will
have nothing to fear. It always cures
and we have never known a cold to re-
sult in pneumonia when it was used.
It is pleasant and safe to take. Chil-
dren like it. For sale by O. O. Krogstad.
