A Love Letter.

A Wyoming paper printed the following love note, which one of its reporters picked up on the street: "Dear H. I seen you at church Sunday and I luffed at you, but you never luffed back, why not, I would like to no? I still love you and if you turn me down for High-Pockets I will hog-tie him and bete his face up mean, so you better luff at me when I luff at you. Do Not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they came from. The heavy winter clothing is thrown aside, and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale by O. O. Kroghstad.
