**Outside People Are Making Investments That Will Treble.**

During the past few months there has been a big increase in the sale of Portland residence property to outside people and since the opening of "Terrace Park," Portland's most beautiful and best residence section, dozens of others have bought. Much of this has been from Eastern Oregon, where Mr. J. A. Ward, of the Spanton Company, formerly lived. Among the recent buyers of "Terrace Park" property are C.

J. A. Ward, Formerly of Eastern Oregon

W. Shurte and Mr. Richards, both of Arlington, and Grant Wade, of Olex. When one can buy a residence lot for from \$300 to \$600, only paying a few dollars down and the rest on easy terms, it is no wonder that so many outside people are investing in "Terrace Park." Their money is certain to double and treble. The Spanton Company of 270 Stark street, Portland, will be glad to answer all inquiries in reference to "Terrace Park" and their other property.

**Not a Meddler.**

The old horse interfered badly, and like its old and dilapidated driver, had evidently seen better days. "Say," sang out a would-be wit, from his post on the corner, "that horse of yours is interfering to beat the band!" "He ain't interferin' with you, is he?" mildly queried the driver.

**A Wonderful Restoration Caused a Sensation in a Pennsylvania Town.**

Mrs. Charles N. Preston, of Elkland, Pa., says: "Three years ago I found that my housework was becoming a burden. I tired easily, had no ambition and was fading fast. My complexion got yellow, and I lost over 50 pounds. My thirst was terrible, and there was sugar in the kidney secretions. My doctor kept me on a strict diet, but as his medicine was not helping me, I began using Doan's Kidney Pills. They helped me at once, and soon all traces of sugar disappeared. I have regained my former weight and am perfectly well." Sold by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

**Deviled Meats.**

Use the trimmings of cold boiled ham or tongue. There should be one-quarter fat in the ham. Chop the meat or grind it, for it must be very fine, then rub to a paste. Make a seasoning of one level tablespoonful of sugar, a level teaspoon of mustard, and a few grains of cayenne, not using over a saltspoon. Mix well together, then add one cup of hot vinegar slowly to make the mixture smooth. Mix two cups of prepared meat and dressing thoroughly, then pack in a bowl or small jars. Use for a relish or for sandwiches.

**Protection Against Poison.**

Probably the most ingenious device invented to prevent the taking of poison in mistake for medicine is a bottle which has been recently devised by a French inventor, which is supplied with a lock and key, so that there could be no possibility of error. The cork is on a spring secured to the neck of the bottle, and when pressed into place is secured automatically by a spring-like nasp. In order to release the cork it is necessary to make use of a key which is also secured to the neck of the bottle.

**Lady Baltimore Cake.**

One cup of butter, two cups of sugar, one cup of sweet milk, whites of six eggs, two level teaspoonfuls of baking powder, sifted with three and one-half cups of flour; one teaspoonful of rose water. Bake in layers and put together with the following mixture: Boll three cups of granulated sugar until it threads and pour it over the stiffly beaten whites of three eggs. Beat until thick enough to spread and add a cup of chopped raisins, one of chopped pecans and five figs, cut into thin strips.

**Date Muffins.**

Stir together three coffee cupfuls of flour, three teaspoonfuls of yeast powder and half a teaspoonful of salt, sift into a bowl, with one and one-half coffee cupfuls of milk; beat in the yolks of two well-beaten eggs; beat this gradually as you sift in the flour; add one tablespoonful of melted butter; when smooth beat into it three-fourths of a coffee cupful of chopped floured dates, and lastly force in the stiffened whites; put in warmed greased gem pans and make twenty-five minutes.

**Cheese Fingers.**

The cheese fingers are quickly made and very savory. Mix one cupful of flour, quarter teaspoonful of salt, a dash of cayenne, a half teaspoonful of baking powder; rub into this two tablespoonfuls of butter, add a half cupful of grated cheese, and mix to a dough with ice water. Roll out in a thin sheet, cut in half-inch strips with a jagging iron and bake pale brown in a moderate oven.

**Egg Rolls.**

Sift two cups of flour with four level teaspoonfuls of baking powder and a saltspoonful of salt. Rub in a level tablespoonful of lard and two level tablespoonfuls of butter. Add to the beaten yolk of one egg one cup of milk. Roll half an inch thick, cut in squares and bake in a quick oven. Serve hot.

**Meat-Balls.**

Allow to each pound of finely ground beef three-fourths of a cupful (coffee) of grated bread crumbs, one egg, saltspoonful of salt, tablespoonful of minced parsley, half a saltspoonful of white pepper; beat in a bowl and drop from spoon into the boiling fat.

**Eggless Cake.**

Cream a half-cup of butter with one and one-half cups of sugar, add a cup of sour milk, a level teaspoonful of soda, three level cups of flour, a half-teaspoonful each of cinnamon and mace and a cup of raisins, seeded, chopped and floured. This cake is excellent to have during the season when eggs are scarce, and if carefully made is very good.

**Coffee Cake.**

Cream a cup of sugar and a half-cup of butter; add three well-beaten eggs, a half-cup of strong coffee, two cups of flour sifted twice with two teaspoonfuls of baking powder, one teaspoonful of cinnamon, a pinch of cloves and lastly a cup each of seeded raisins, stemmed currants and chopped nuts, dredged with flour.

**Corn Bread.**

Sift one cup of flour, two cups of corn meal, one-half level teaspoon of salt, four level teaspoons of baking powder and a rounding tablespoon of sugar. Add the beaten yolks of two eggs and one cup of milk, one tablespoon of melted butter, and, last, the whites of two eggs beaten stiff.

**For the Children**

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

**Danube Spanned by Longest Bridge.**
