Our former citizen, Fred G. Thayer, graduated from Northwestern University Medical School of Chicago on the 20th of last month. Fred's numerous Toledo friends are pleased to learn that he has made good in his studies, as he did in athletics.

Commissioner's Court was in session Wednesday and adjourned till this morning out of respect for the glorious Fourth. Judge Swope made himself useful and reaped honor as orator of the day at Siletz; Commissioner John Fogarty helped to make the eagle scream at Newport, while Commissioner Thompson had a safe and sane celebration among the old folks in Toledo.

The G. A. R. encampment and W. R. C. convention will be held at Newport next year. S. G. Irvin and Dr. F. M. Carter of Newport turned loose a flood of logic and eloquence in the convention at Newberg last week and when the flow ceased there was nothing to it but Lincoln county's famous Resort City. Such conventions, successfully handled, are a valuable advertisement, and Messrs. Irvin and Carter deserve credit for their boosting ability.

The Day We Celebrate.

Yesterday was certainly a "Glorious Fourth." The rain Wednesday night and a continuation next morning almost caused heart failure among some of our citizens who had planned to go to Newport or Siletz, but all but a few of the elderly defied the clouds and made the start. They were rewarded by an ideal day.

Oliver Altree's barge took a large crowd to Newport and every available team was pressed into service by those who preferred to celebrate at Siletz. Forty of our citizens went to Corvallis because it was cheaper than staying at home—only a dollar for the round trip.

A feature of the Siletz celebration was a ball game between Siletz and Toledo. Siletz won by a score of 11 to 9. 'Nuff sed—as President Roosevelt would express it.

"The day we celebrate" was properly celebrated in Lincoln county. More power to it!

Mr. and Mrs. T. P. Fish returned Monday from a visit with relatives and friends in Portland. They went to Portland from Newberg after the adjournment of the G. A. R. encampment and W. R. C. convention.

Toledo's rapid increase in population demands more school room, and at the meeting Monday afternoon the voters of the district asked the school board to provide the same. This explains the call for bids issued by the board in another column of THE LEADER. It is a welcome, delightful burden to the wise and loyal taxpayer.

Mrs. J. Blower of Mill 4 came up Tuesday morning for a visit with her daughter, Mrs. J. W. Robertson. She was accompanied by her guest, Mrs. George Coote of Corvallis. Later in the day Mr. Blower and Prof. Coote came up via the rowboat route. Prof. and Mrs. Coote will enjoy life this summer on their farm at Mill 4.

Horses are horses in Oregon—especially good horses. The Moro Observer says: A man came all the way from Seio to pay A. C. Thomson \$437.50 for a mare and colt. In condition she would tip the beam at 17,000 pounds, and the buyer wanted her to mate with another at home, giving him a \$1000 work team.

SUMMER EXCURSION

Special Rates and Train Service to Newport for Season of 1907 via Corvallis & Eastern R. R.

Hotels, resorts and attractions at Newport are now open for the season, and indications all point to this famous "Oregon Coast Resort" being more popular this season than ever before.

A decided innovation, bound to be a source of great satisfaction to visitors and add greatly to this fast-growing only "Oregon Coast Resort," will be the opening on July 3 of the Newport Theater for the summer season by a high-class stock company, made up of some of the best stock actors on the Coast, to include various members of the well-known Baker Theater stock company of Portland. A series of the best stock plays available will be produced during the season, with frequent change of bill.

About July 1 there will be opened to the public one of the largest and best equipped skating rinks in the Northwest, containing 12000 square feet of floor space. The rink will open continuously day and evening except during business bathing hours.

These two attractions will divide honors with visitors in filling a long-felt want for some place to while away the evenings after the close of outdoor attractions.

This company, as well as the Southern Pacific Company and Oregon Railroad & Navigation Company, have now on sale season tickets to Newport from all points in Oregon at greatly reduced rates. These tickets can be purchased daily and are good for return until October 10, 1907.

In addition to season tickets, this company and Southern Pacific company have placed on sale at reduced rates popular week and three day tickets, good from Saturday to Monday, for the benefit of those who can not advantageously use season tickets, but who desire to make frequent short interval trips to the beach during the season.

This Company will also, commencing Sunday, June 16, provide special Sunday Excursion train from Albany to Newport and return, and have on sale one day excursion tickets at reduced rates for this train.

Passengers holding season, or three-day tickets mentioned, can travel going or returning on Sunday excursion trains.
