SUMMER EXCURSION

Special Rates and Train Service to Newport for Season of 1907 via Corvallis & Eastern R. R.

Hotels, resorts and attractions at Newport are now open for the season, and indications all point to this famous "Oregon Coast Resort" being more popular this season than ever before.

A decided innovation, bound to be a source of great satisfaction to visitors and add greatly to this fast-growing only "Oregon Coast Resort," will be the opening on July 3 of the Newport Theater for the summer season by a high-class stock company, made up of some of the best stock actors on the Coast, to include various members of the well-known Baker Theater stock company of Portland. A series of the best stock plays available will be produced during the season, with frequent change of bill.

About July 1 there will be opened to the public one of the largest and best equipped skating rinks in the Northwest, containing 12000 square feet of floor space. The rink will open continuously day and evening except during business bathing hours.

These two attractions will divide honors with visitors in filling a long-felt want for some place to while away the evenings after the close of outdoor attractions.

This company, as well as the Southern Pacific Company and Oregon Railroad & Navigation Company, have now on sale season tickets to Newport from all points in Oregon at greatly reduced rates. These tickets can be purchased daily and are good for return until October 10, 1907.

In addition to season tickets, this company and Southern Pacific company have placed on sale at reduced rates popular week and three day tickets, good from Saturday to Monday, for the benefit of those who can not advantageously use season tickets, but who desire to make frequent short interval trips to the beach during the season.

This Company will also, commencing Sunday, June 10, provide special Sunday Excursion train from Albany to Newport and return, and have on sale one day excursion tickets at reduced rates for this train.

Passengers holding season, or three-day tickets mentioned, can travel going or returning on Sunday excursion trains.

For information relative to rates, trains, etc., see tariffs on file at stations for public inspection or refer to any agent of Corvallis & Eastern, Southern Pacific or Oregon Railway & Navigation Company.
