It is reported that E. H. Harriman has a deep yearning for sympathy. Loosen up, Ed. Money will buy anything.

The Jamestown Exposition is reported to be a financial failure. The Lewis and Clark Fair at Portland two years ago is still doing business.

A comet is said to be visible on the eastern horizon about 3 o'clock every morning. A large majority of us will take the astronomer's word for it.

E. H. Harriman's daughter is to marry a Mr. Straight. Perhaps the young lady figures that she can't be Straight and remain a Harriman.

A young man near Eugene fired at a deer and killed his hunting companion. This may be an improvement on the common blunder, but the result was the same.

Bryan may have Governor Folk of Missouri to beat if he again lands the Democratic nomination for President. Governor Folk would probably make a better race than the stereotyped candidate from Nebraska.

The government of New Zealand owns the railroads of that country, which are operated at a loss of \$1,500,000 annually, and the taxpayers foot the bill. Perhaps Mr. Bryan knew this when he abandoned his government ownership ideas.

Oregon Will Welcome Taft.

(Special correspondence.)

Portland, Or., Aug. 19, 1907.

Hon. William H. Taft, Secretary of War, will spend all day in Portland Friday, September 6. He will speak at the Armory in the evening at 8 o'clock and seats will be reserved for every editor, for the officers of every commercial and industrial body, for the members of the last Legislature, the state officers, the mayor of every city, and a limited number of delegates from all of the commercial bodies throughout Oregon, but these names must be reported and reservations made by Monday, September 2, by addressing Tom Richardson, Secretary of the Oregon Development League, Portland. Everybody in the state will be welcome at this meeting, in addition to the reservations mentioned, and it is desired that the larger portion of the audience be from outside of Portland. A rate of a fare and a third for the round trip has been made for the occasion from Pendleton and all points west on the O. R. & N., and from Roseburg and all points north on the Southern Pacific.

The meat and bread of Oregon advertising is the colonist rates. The people of Oregon are not neglecting this opportunity and there will be thousands of people come to this state to find homes between September 1 and October 31. However, do your portion, and write another letter just as soon as you lay down this paper to some friend in the older states who should get the advantage of the low one-way rates to Oregon.

The different organizations composing the Oregon Development League have now had printed 112,000 of the official letter-heads. That looks like going some.

Albert Phenix, staff correspondent of the Manufacturers' Record of Baltimore, and one of the country's best posted correspondents on industrial subjects, is making a study of Oregon and the Pacific Northwest, in connection with a trip including all of the Pacific coast. The report of Mr. Phenix will be decidedly complimentary to Oregon.

One hundred prominent business men of Brooklyn, New York, composing the Brooklyn League, will spend all of August 28 in Portland. These gentlemen are visiting the different cities of the country studying municipal conditions everywhere.

Dubney the dentist now has his office at his residence on Fourth street. Toledo dates Fridays and Saturdays.

It appearing to the Judge of said Court, by the petition this day presented and filed by M. L. Seitz, the administrator of the estate of John A. D., 1907, at 10 o'clock in the forenoon of said day, at the Court room of said County Court at the Courthouse at Toledo in the county of Lincoln, to show cause why an order should not be granted to the said administrator to sell so much of the hereinafter described real estate of the said deceased as shall be necessary, to wit: the entire estate and interest of said deceased in and to the whole of the NW 1/4 of section 31 in township 13 south, range 10 west of Willamette Meridian in Oregon. B. F. SWOPE, County Judge.
