Oregon Building Activities Sur- pass all Records.

(Special Correspondence)

Portland Or. Sept. 2, 1907.

Oregon sent a magnificent delegation to the National Irrigation Congress at Sacramento, California, led by Governor Chamberlain who is president of the Congress, and many of them will stop to attend the Oregon Irrigation meeting at Grants Pass September 10th, 11th, and 12th.

Secretary Taft's visit to Oregon is attracting state-wide attention. All will be welcome to hear his address at the Armory, Friday evening, September 6th, at 8 o'clock p. m. where there is room for 6,000 people. His audience promises to be the largest in recent years.

The \$5,000 offer in cash prizes for articles on Portland, Oregon, and this part of the United States in newspapers printed outside of Oregon and Washington, is open to every citizen of Oregon, and it must not be forgotten there are eighty chances to win. This has been stated before but there seems to be a general misunderstanding about it, judging from the letters received here.

All of the 400,000 leaflets advertising the low rates to Oregon will be in circulation before the close of this week, a record in advertising never before excelled in the United States.

The prominent citizens of New York composing the Brooklyn League went away delighted with Oregon.

A report comes from Chicago that the Trans continental Passenger Association will never again make colonist rates after those now in effect and to continue until October 31st, so that the people of Oregon should make the most of the present opportunity.

Reports received from many of the cities and towns throughout Oregon indicate enormous building activities both within their limits and throughout the surrounding country, and there is every assurance of a very active Fall and Winter.

Both city and farm real estate is in demand all over Oregon, but it is hoped there will be no stiff advances in price which will deter the thousands of colonists bound this way to find a home in Oregon.

THE NEW YORK WORLD Thrice-a-Week Edition.

The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.50.

Sallowness Transformed to Dusky Beauty

A dark skin becomes fascinating when delicately soft, underspread with the radiant glow which indicates healthy, active skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike. Robertine is certain protection against tan, sunburn and freckles if applied before exposure to sun or wind. Spreads like an imperceptible sheen of gauze over skin surface, forming a shield stimulating and preserving a delicate, lustrous beauty.

ROBERTINE

Had Tetter For Thirty Years.

I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing to what it used to do.—D. H. BEACH, Midland City, Ala. Chamberlain's Salve is for sale by O. O. Krogstad.
