We want a correspondent in every locality in the county. There should be some one in every neighborhood public spirited and interested enough in his own locality to spend a few moments each week in "writing up" the "doings" and sending a weekly letter to us. You will not only help us in giving our readers the news but you will do much in telling the outside world that the people in your community are awake and doing things. We receive almost daily requests for sample copies from farmers and others in the East who are looking for a more desirable place to locate and make their homes. They read these papers thoroughly to get all the information possible of each locality in the county. The items from your neighborhood may contain just what they want to know. Then again, if you or your neighbor has made a success or a failure in producing a certain vegetable or other farm product the farmers living in every other part of the county want to know it. You can help each other. Send us the items and we will gladly furnish the space for them.

H. H. Rogers, Vice President of the Standard Oil Co. and President of the Amalgamated Copper Co. has suffered a stroke of paralysis, and he is unable to transact any business whatever. A heavy drop in the stock of the two companies immediately followed. The old saying that "every tub should be able to stand on its own bottom," would, if applied to the stocks of these two companies, at least, indicate a rotten bottom.

At Canyon City Oregon, Rev. and Mrs. Henry Flood, by mistake, gave their 12 year old son Clarence a dose of strychnine, instead of quinine, causing his death in a short time. At the coroners' inquest, however, it was found that the quinine bottle contained both quinine and strychnine.

General Stössel, the erstwhile hero of Port Arthur, has been stripped of his laurels, as it has been found that he could have delayed the surrender of Port Arthur for some considerable time after he did, as he had a considerable amount of ammunition and provisions. Sometimes it doesn't pay to be a hero.

The Oregon State Fair opened Monday with a good attendance considering the weather at the time of opening. From all reports the Fair is the biggest ever, and the attendance promises to be the largest in the history of the Association.

Coos county has all at once awoke to the fact that they can raise just as good fruit as Hood River. How would it be for all of us to wake up and start an "A No. 1" fruit raising contest? There might be some surprising results.

Surgeons from the Marine Hospital Service have been ordered to the assistance of Dr. Rupert Blue, who is in charge of the bubonic plague situation in San Francisco, as the situation is becoming serious.

The First Annual Rogue River Industrial Fair held at Grants Pass last week was pronounced an unqualified success in every particular.

A Portland preacher recently preached a sermon on "What Satan would do." Wonder where he got his information.

Attack of Diarrhoea Cured by One Dose of Chamberlain's Colic Cholera and Diarrhoea Remedy.
I was so weak from an attack of diarrhoea that I could scarcely attend to my duties, when I took a dose of Chamberlain's Colic Cholera and Diarrhoea Remedy. It cured me entirely and I had been taking other medicine nine days without relief. I heartily recommend this remedy as being the best to my knowledge for bowel complaints.
