Marion county will fill 225 cars with dried prunes of this season's crop. All they need now is cars in which to ship the crop.

Albany was visited by a gang of burglars last Sunday night. They burglarized nearly every thing in the city but got very little swag for their trouble.

Portland exported \$1,450,641 worth of wheat, lumber, flour, etc., during the month of September, as against \$686,882 in the same month last year. There must something doing up there too.

The management of the Alaska-Yukon-Pacific exposition say they will not ask the government for a loan, nor will it ask for any other aid save an ample appropriation for Uncle Sam's participation.

Ira L. Hicks the St. Louis weather prophet threatens us with terrible weather for this month, and especially from the 7th to the 10th. We will be better able to tell you about it after the 10th.

An encounter between Mayor Harry Lane and Mrs. Belle Waymire, of Portland is furnishing the Portland papers with good scare head material. One says "it is" and the other says "it ain't" so there you are.

The Commissioner of the General Land Office has issued an order which requires the registers and receivers of all United States land offices to prepare all applications to make entries and filings on public lands when they are requested to by the applicants. This order will insure greater accuracy in papers of this kind, and be a saving to the applicants who have heretofore been required to have their applications prepared at their own expense.

Fremont Older, managing editor of the San Francisco Bulletin, was kidnapped by two attorneys and two detectives in the employ of the United Railways a few days ago, and spirited 30 miles away to Redwood City in a closed automobile, then placed aboard a train, but was rescued at Santa Barbara. The kidnapping seems to have been a desperate attempt to cripple the prosecution and prevent the conviction of Toney L. Ford and others, accused of grafting in the bay city.

Last Monday evening ex-Sheriff Harvey K. Brown of Baker City was assassinated by being blown to pieces by a bomb as he entered his gate. The murder of Brown was committed in the same manner as that of ex-Governor Steunenberg of Idaho. Brown had done considerable work for the state of Idaho in the Harry Orchard case and before he died accused the Miners' Federation of the crime of blowing him up. Brown was to have been an important witness in the Pettibone trial.

The Perennial Booster.

Said a well known business man to me the other day: "It would not hurt you to occasionally mention our business in the paper. It would help to fill up, you know." Yes, we might do it. We haven't the least idea on earth that it would hurt us, and it would, as he suggests, help to fill up. We might do all this, but at the same time, thank God, we do not have to do it unless we feel like it. It would not hurt him, either to come around and say: "Give me a column or a half a column of space for an advertisement, and here is the money for it." By doing this he would become a deserter to the grand army of deadheads who expect the newspapers to continually note the improvements they make by giving them free puffs and for which they never pay a cent. It is high time for all classes to learn that a newspaper is a business enterprise, the same as a dry goods store or a grocery, and gives value received for every dollar taken in on advertising or subscription.—Exchange.

The Huntington Herald says that skunks eat grasshoppers and are, for this reason, the friend of the farmer. They also eat chickens and make a bad smell, and we do not want them to play in our back yard.

Afflicted with Sore Eyes for 33 Years.

I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. EARLS, Cynthia, Ky. THE NEW YORK WORLD Thrice-a-Week Edition.

The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.50.
