Daisy Dell Items.

Perhaps the readers of the LEADER would like to know where Daisy Dell is situated. Just one fourth of a mile from Devil's Lake and two miles and a half from Siletz Bay at Taft. Daisy Dell is the school district embraced in the territory named, or rather the school house is called Daisy Dell, and the district will be spoken of under the same name.

Oscar Nelson has been confined to the house with tonsillitis the past week.

Phinley Bones sold his cattle and garden truck last week and moved out to Perrydale. That makes three families, Mr. Beck, Mr. Bones and Mr. Haviland all of Schooner creek, who have made their fortunes in three short years and now move to the Valley to live upon the interest of their money.

The Steamer Gerald C. made Siletz Bay a visit last week bringing in supplies for the winter.

The boys of Dairy Dell had an exciting chase after old bruin the other day. Just as school dismissed at 4 o'clock last Friday the boys heard an unusual amount of barking down in the canyon below the school house. They immediately announced the fact they thought the dogs had a bear treed. So off to the nearest neighbors they hied, secured a gun and dog and proceeded down the canyon. After an hours chase the dogs succeeded in treeing bruin. As soon as treed the boys took aim and at the second shot down came Mr. Bruin. Johnie Affolter, a lad of thirteen, rushed up and with his pocket knife cut the bears throat. By that time, which was after 5 o'clock, the shades of night were falling, and some of the boys had a two mile walk home. They left bruin until morning when they proceeded back secured the hide and each boy got a share of the meat which was all that he could pack. There were only five boys in the chase the oldest one fifteen and the youngest one seven. We consider for their ages that they were brave boys indeed. Bruin prove to be about 3 years old and the hide weighed about thirty-five pounds.

The Brooklyn Eagle is stirred up over the fact that Oregon apples have wandered down into the tropics and sold in Cuba and Panama at 11 cents each, while the apples in New England are so cheap that any man passing by an orchard is welcome to fill his pockets. Arguing from the fact back to its causes, the Eagle arrives at the conclusion that an Oregon apple in the tropics is worth 11 cents—and that New England apples would be selling for 11 cents in the tropics, provided, first, that they were shipped there and, second, that they were the equal to the Oregon apple when they left the tree.—Seattle Times.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I did not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthens the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by O. O.
