The report of the expert who went over the books of the county officials recently will be published in full in these columns, so the people may know exactly the financial condition of our county. We hope to be able to present this report in next week's issue.

Dry Farming Congress.

The second session of the Trans-Missouri Dry Farming Congress is to be held in Salt Lake City, Utah, January 22 to 26. The proceedings of this Congress are of especial importance to a vast area of Oregon and Washington, and every commercial body in the two states is asked to appoint at least one delegate. Their whole territory East of the Cascades should be represented, and both Governor Chamberlain and Governor Mead are anxious that large delegations should be present at the convention. The Executive Committeemen from the Pacific Northwest are Hon. R. G. McCroskey of Washington and Hon. J. W. Kerr of the Oregon Agricultural College. President Fisher Harris of the organization requests that delegates be appointed and names sent to him at once at Salt Lake City.

Hon. El H. Webster, Chief of the Dairy Division of the Bureau of Animal Industry, United States Department of Agriculture, has notified W. L. Grissey, Secretary of the Oregon State Dairy Association, that he will arrange to have one or more Government representatives in attendance upon the State Dairy meetings of both Oregon and Washington during the present year 1908. December 10th and 11th have already been chosen as the dates of the Oregon meeting.

The immigration to Oregon and Washington this year ought to be double that of last year. In no other two states has every character of crop yielded so enormously and commanded such a high price. People in the older communities are disposed to move, and the Pacific Northwest should get more than its proportion of new citizens, but to accomplish this all commercial bodies must work in harmony and individuals must participate through private correspondence, which is the strongest influence of all.

The people of Eugene and Lane county are beginning a campaign in behalf of the appropriation for the University of Oregon, in which they are meeting with the heartiest support and co-operation from all portions of the state. The horticulturists of Lane county have just passed a resolution in which they urge the people of the state to study the question impartially, and then act for her best educational interests in casting their vote at the June election.

A Sherwood girl, who recently returned from a visit back east, related the following experience: She attended a party one evening where chocolate bon bons were a part of the refreshments. She spied a nice plump one on the side of the dish, which she tried to take, but which seemed to be stuck to the dish. After a second attempt the negro waiter, who was passing the dish, remarked, "Beg your pardon, Miss, but dat's mah thumb."

Just received at the Bonboniere a large assortment of first class up-to-date jewelry for the holiday trade. With each article purchased you get a gold filled signet hat pin free. Every piece guaranteed.

Why Suffer from Rheumatism?

Do you know that rheumatic pains can be relieved? If you doubt this just try one application of Chamberlain's Pain Balm. It will make rest and sleep possible and that certainly means a great deal to any one afflicted with rheumatism. For sale by O. O. Krogstad.

THE NEW YORK WORLD

Thrice-a-Week Edition.
The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past. The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.10.

CONTEST NOTICE.
U. S. Land Office, Portland, Oregon, December 2, 1907.
A sufficient contest affidavit having been filed in this office by Henry A. Hostetter, contestant, against homestead entry No. 14465, made July 31, 1902, for the se 1/4 section 25, township 8 south, range 9 west, by Earl Hocum, contestee, in which it is alleged that he is well acquainted with the tract of land embraced in the homestead entry, and knows the present condition of the same; also that said Earl Hocum has wholly abandoned said land, and especially for the last six months; that he has never resided upon, and made said land his home to the exclusion of a home elsewhere, but has been living at Tacoma, Wash. since making said entry, and has made only occasional visits to said land for short periods at very long intervals; that the improvements on said land are very poor and meagre, and no cultivation has been made thereupon; and that said alleged absence from the said land was not due to his employment in the Army, Navy, or Marine Corps of the United States as a private soldier, officer, seaman or marine, during the war with Spain, or any other war in which the United States may be engaged, said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on January 8th, 1908, before the Register and Receiver at the United States Land Office at Portland, Oregon.
The said contestant having, in a proper affidavit, filed December 2nd 1907, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.
ALGERNON S. DRESSER, Register.

NOTICE FOR PUBLICATION.
