Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year with no beneficial results. In November last the cough again put in its appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." For sale by Otto O. Krogstad.
