New Postal Law.

The United States Postal Department has made new regulations in regard to carrying second-class mail matter (such as newspapers, magazines, periodicals, etc.) the same going into effect January 1, 1908, and allowing the publishers to April 1, 1908, to prepare their subscription lists in accordance with the new order of things. The effect of the change practically compels the establishment of new relations between the publisher and subscriber of county papers.

The department ruling requires that subscriptions to weekly newspapers entitled to the second class postage rate shall not be delinquent longer than one year.

The mails are not forbidden to subscribers who are in arrears longer than the time provided in the new ruling, but these subscribers are placed in a separate classification, requiring a higher rate of postage, the rate being so high that publishers could not afford to send papers at the price of subscription.

The reason given by the government for making this order is that second class mail matter is being carried through the mails at a rate for postage thereon which is less than the cost of carriage.

The LEADER has been very lenient with its delinquent subscribers and we do not want to drop any subscribers from our list, but as Uncle Sam has spoken, we must request the few who are in arrears to settle at once.

Ladies!

To whom it may concern:

Mrs. Emma B. Crosno is hereby authorized by us to take subscription for the McCall Magazine, under the proposition that to every purchaser of a fifteen cent (15ct.) McCall pattern, we will send the McCall Magazine for one year for twenty five (25) cents additional. She is further authorized to take orders for the Nemo and Royal Worcester corsets.

Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3d our baby was taken sick with a very severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by O. O. Krogstad.
