The country above Elk City in the Big Elk valley seems to have taken on renewed life and activity. Several new settlers have come into that region and a general awakening has been had. Many pieces of land have changed hands during the past six months, and new settlers are still coming in. Among the recent newcomers located in that beautiful valley, are Mr. Godley, located near the old Salado postoffice, Mr. Smith, on the old Graves' place; Mr. Laws, Mr. Strafer, Mr. Kimball and Mr. Woodford. This new blood, with the progressive settlers already there, is giving new life to the Big Elk Valley. A local telephone line, connected at Elk City with the Lincoln County Telephone line, has about ten patrons, with more getting ready to join. There will be more cows milked, potatoes planted, berries grown and hay raised on Big Elk, this year than ever before.

Object to Strong Medicines.
Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of intermit treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. For sale by Otto O. Krogstad.
