Number 9

The How of It.

Last Friday the people of Oregon again had the right to say who should be their candidates for the coming June election, and they said. Now if your candidate failed to get the nomination don't be cranky. Stand pat, and vote for the man the people nominated.

The tabulated form in the next column will tell how it happened in Lincoln county. All the State officers nominated in this county did not carry the state. Fulton carried this county but lost by about 6000 in the state. Hammerly for Joint Senator carried Lincoln, Yamhill and Tillamook counties but lost it all on Washington's vote. Barrett received the nomination. Jones and Gardner were close in this county but Jones skinned him bad in Polk. Matthew N. Anderson, commonly called "Norm," was nominated Justice of the Peace for this precinct, G. L. McCaulou was nominated for constable, and Henry Howell received the nomination for County Central Committeeman for this precinct. The Republicans had no candidate for Surveyor so they gave the vote to Jim Derrick, a democrat, and the present County Surveyor.

The Democratic nominees are:

U. S. Senator, George E. Chamberlain; Congressman, J. J. Whitney; Sheriff, Chesley L. Morrison; Clerk, endorsed, Ira Wade; Treasurer, endorsed, McCluskey; Commissioner, endorsed, Keady; Surveyor, Z. M. Derrick; Assessor, endorsed, Guy F. Laws; Coroner, endorsed, Carter; Constable, Toledo precinct, Dave Ross; Justice of the Peace, Lee Bartholomew.

Committeemen Meet.

The first meeting of the Republican County Central Committee was held at the Court House in Toledo at 6:30 p. m. April 22nd. Mr. Frank L. Buker of Waldport called the meeting to order and appointed Wm. F. Keady Secretary pro tem. Nominations were then made for the position of a permanent chairman and Frank L. Buker was duly elected. Mr. Keady was elected Secretary and Mr. F. A. Godwin of Nashville was elected Treasurer. Mr. R. A. Bensell, Frank L. Buker and F. A. Godwin were elected delegates to attend both the State and Congressional Conventions to be held May 14th.

Owing to the fact that some of the members did not know that the law required them to meet and organize within five days from the date of election only seven members were present. Those being Bennett Olsen, Five Rivers (by proxy); F. A. Godwin, Nashville; R. A. Bensell, Newport (by proxy); Frank L. Buker, Waldport; Milton A. Beem, Tidewater (by proxy); Geo. S. Parmele, Kernville (by proxy); and Henry Howell, Toledo.

The committee adjourned subject to the call of the chairman.

J. Q. Adams of Chitwood was in the city yesterday.

Miss Winona Hooker went to Newport Wednesday evening for a short visit.

Miss Sara Crahen returned Wednesday evening from a few weeks' visit at Portland.

Dennis Cusack went to Portland yesterday morning on a business trip. He expects to return Saturday evening.

Appreciation Expressed.

Through the LEADER I wish to thank the people of Lincoln county for the splendid endorsement they gave me at the primary. The confidence of themselves and others gave the writer a plurality in three of the four counties against a very strong and capable man, who had been in the field longer and had spent a lifetime here.

Cheerfully yours in defeat,
C. C. HAMMERLY.

A woman in a Tennessee town recently gave a "white elephant party" to which each of her eighteen guests were required to "bring something for which she had no use, but couldn't well dispense with" Eleven of the eighteen brought their husbands.

Development League.

The regular meeting of the Toledo Development League will be held at City Hall next Saturday evening, April 25th, at 8 o'clock. Business of great importance to Toledo and Lincoln county will come before the meeting. Every friend of the town is urgently requested to be present and pull for our home. Hope to see every business man present; also knockers are kindly invited. Come, it may not be so bad as you imagine. All come and get together and work for the common good of Toledo. Why not? No business man who will be directly benefitted by the prosperity of our town can afford to absent himself, and have his name advertised further to the world in capital letters that he is a quitter and a stay-at-home, when his town needs his influence. Come out and get acquainted with the Three or Four ugly men. I am sure they are not so bad as pictured. If so, we will vote them down. So come along and show you are not afraid. All invited.

C. B. Crosno, Secretary.

Wyandottes & Leghorns.

If you want four kinds of full grown pure bred poultry at less than five cents per head, above the market price of scrubby stock, consult CATON & MURRAY.

Now what you need is sun and air. The kind old doctor said.

When on the street he met one day, His pound friend, Newlywed.

But Newlywed, just shook his head, And said no Doc, I swear.

For some time yet I can't afford To have that son and heir.
