Larkey Logan Sentenced.

Larkey Logan, convicted of manslaughter for the killing of Willie Garner at Siletz, March 19, was sentenced to two years at hard labor at McNeils Island, the Federal prison.

M. Wygant came up from Newport this morning.

Brother Clark of the Reporter went to Newport last evening.

County Commissioner Fogarty of Newport is a Toledo visitor today.

Capt. Jacobson and wife of Newport are in Toledo on business today.

Ches Morrison of Pioneer was a passenger for Newport yesterday evening.

Chester Dixon, O. G. Dalaba and Mr. Woodford, all of Elk City, were passengers for Newport last evening.

A. O. Hooker this week purchased of Fred W. Chambers the little cottage on Fifth street near the M. E. church.

C. E. Hawkins has purchased the old Sam Logan farm near Storrs. Mr. Hawkins intends dividing the farm into small tracts.

Postmaster Arnold has sold his residence on First street to John McCluskey. Mr. and Mrs. McCluskey will leave the farm this fall and move into their new home.

The commercial organizations of Newport and the Willamette Valley towns are making an attempt to have the big fleet of warships stop off the mouth of Yaquina for two hours, as they pass up the coast.

An invitation has already been sent and received by the fleet, and it does not seem improbable the request will be granted. This would give the people of Oregon an opportunity to see the big scrappers. Several vessels would be in from Columbia River to take the people out to welcome the fleet.

Editor LEADER:—If you will allow me space in the LEADER I wish to say a few words, as the report came from Toledo that if Jay Dunn was elected Sheriff I would be his deputy. Every word of this is false. Who ever started this must have been dreaming or had the night mate, as I haven't seen Jay Dunn nor spoken to him for over a year. I did not know that he was going to try for Sheriff until he was up here on his canvass and then I was away from home and did not see him. Besides I am not looking for any deputyship or appointments, either. If I want an office I will let the voters of Lincoln county say whether I shall have it or not.

As to Jay Dunn so far as I know he will make a good Sheriff. And as to Jim Ross, I ran against him two different times for the office of Sheriff, although he defeated me by a small majority I have no personal feeling against him. He is a jolly good fellow, and I expect to support him in the June election. As I registered Republican I expect to be loyal to the ticket.

There has been much comment on my registering republican, and that I am faking. I wish to say that I was raised a Democrat and used to think that all Republicans belonged to or stood in with the trusts, but of late years I have been studying the issues and have been a Roosevelt man ever since he has been President. I think the Republican platform is all right and to the best interests of the people if the right man is at the wheel.

They say a smart man will change his mind, but a fool never does.

"One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy writes letters to the manufacturers for publication, that their similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by Otto O. Krogstad.
