The Most Common Cause of Suffering.
 Rheumatism causes more pain and suffering than any other disease for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is above worth many times its cost. 25 and 50 cent sizes for sale by O. to O. Krostad.

"Jayhawkers of '49"
 The DEATH VALLEY MAGAZINE, which is publishing the life of Death Valley Scotty, will begin the story of the "Jayhawkers of '49" in its May number. The "Jayhawkers" discovered and gave Death Valley its name. The story will be written by John B. Colton, one of the survivors who is now 75 years of age. He was the youngest member of the party, being 16 years old at the time.
 April 5, 1849, the party, consisting of 36 members, organized at Galesburg, Ills., under the name of "Jayhawkers," and started to the gold fields of California. They were on foot the last 52 days of the trip, having abandoned their wagons and butchered their oxen for food.
 There are four survivors, one a woman aged 94 years, who carried a child upon her back and kept in line while strong men fell dead or went insane upon the trail.
 All of the story will be told for the first time, the humorous as well as the pathetic. Publishers have sought it for 50 years, but the survivors have now deemed it proper and fit to give it to the DEATH VALLEY MAGAZINE.
 No pioneer or lover of American history can afford to miss it.
 The subscription price of the magazine is \$1 a year. Every issue contains stories and pictures of the desert worth the price.
 The publishers are also giving five shares of stock in the Death Valley Quartz & Placer Mining Company as a premium. The stock is of the par value of \$1 per share.
