A pedigree in a dog is all right if you can find a customer that will be impressed by it. The best dog I ever owned wouldn't have known what a pedigree looked like if it had been framed and hung in his kennel. The biggest fool dog I ever had was blessed with a pedigree a mile long. If you wanted her to come, you threw stones at her, and if you wanted her to go, you pulled her tail. Pedigrees in dogs and men don't go for much if the dog or man can't back it up with the points.—Ex.

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Otto O. Krogstad
