An invitation is extended to every citizen of Lincoln county to come to Toledo and assist in the celebration of the Fourth. A good program is being arranged by the committees and everything will be done to make the day an enjoyable one for you.

In giving election returns last issue we cheated County Treasurer McCluskey out of just 100 votes. Our figures read 742, and it should have been 842, just 639 more than his opponent, Mr. Rogers. We hate like the dickens to make this correction thereby admitting we were wrong, but in fairness to Mr. McCluskey we must.

Several of the towns in Oregon have hired boosters to yell for their town and community. Why does any locality in Oregon need to hire a professional booster. It is the duty of every citizen to boost for his own town and if he feels that he can not conscientiously do so he should leave it. If every loyal citizen would be ready at all times to speak a good word for his town that town would grow and there would be no need of hiring boosters. Lincoln county and every town in the county is growing in population simply because every citizen is boosting. We have a grand country and we are always telling others about it, consequently we grow. Let us continue to boost and to grow.

The best friend that a town can have is a booster. The individual who looks around and sees the good things that are to be seen and then reports them to others—the story of attractions beheld and the advantages realized and appreciated. The booster need not be a man of influence. He need not be a handsome man—just any old kind of a man. Handsome or ugly, rich or poor, or lean or fat, will make a good booster, and women, too, are worth their weight in gold in this service, and even the right words from the lips of a child may have the effect of causing some visitor or tourist to look around and rivet his attention with admiration on some natural or artificial charm that had not attracted his or her attention and this simple little incident spoken in season may result in locating in a town a man or woman of inestimable worth to it.—Paulina (Iowa) Times.

Notice is hereby given that the partnership heretofore existing between C. B. Crosno and C. E. Hawkins, under the name of the Lincoln County Abstract Company, is this day dissolved by mutual consent, Mr. Hawkins retiring from the Company.

The Incident Closes.

Waldport, Or., June 8, 1908. Editor LEADER—The ignorance and veracity of your Waldport correspondent are only equalled by the phenomenal political vagaries of the County Republican Central Committee.

For proof of the first see section 214, page 99 of P. L. & R. 1902. And to establish second if your correspondent will as required by rules of evidence, produce two of the 53 electors who wrote Wakefield's name on the ticket, who will assert on honor that said Wakefield asked for their support, Wakefield and his friends will give a banquet in the most modern style at the best hotel in Lincoln county to Mr. Goin and the 57 voters who made their x before the name of E. Goin for Justice of the Peace.

The election is past and we refuse to be instrumental in inflaming the sore spots, or enter into personal and individual criticisms which a search of the record might prove exceedingly unpalatable, and with this close the incident.

Yours truly, A. A. McCLEARY, J. D. KENT, L. V. COLVIN.

Waldport Items.

Mr. James Bales has a contract with the Government to build a barge to be used in connection with the forest reserve service here. A number of roads and trails will be built through the reserve this summer and will cost the Government about \$4000 which amount will benefit the people of Waldport more than any others.

Livestock has a peculiar habit of disappearing in this vicinity and some of those who have missed animals have called upon Sheriff Ross to locate the miscreants if possible. Mr. Ross spent several days with us last week but we are not informed as to the results of his investigation.

Crab outfits are plentiful on the Bay this season. There are more boats out than there has been for several years and all are doing nicely thus far. Several fishermen from other points have investigated conditions here with a view of locating on the Bay this fall.

A mass meeting was held in Kent's Hall last Friday evening for the purpose of discussing the Fourth of July celebration. Committees were appointed and a general plan formulated. Funds will be raised by subscription and also by a voting contest to determine the most popular young lady. A baseball match will be arranged and in order to get their hands in the Waldport team went to Tidewater Sunday and succeeded in getting skinned by a score of 36 to 17.

The Waldport Marine Band had a jollification at their regular rehearsal Friday evening. The cause of all this was a little remittance of \$185 which was sent off that day to Graves & Co. of Portland, as the final payment on the band instruments purchased last Fall. The boys here have a record that is hard to beat when it comes to the financial part of the undertaking.

Good work mare, 1400 lbs., 13 years old. Will trade for work horse or sell. Enquire at this office.
