### Notice.

Owing to the dry season now being at hand and the consequent danger from fire, the City Council orders that no paper or other waste material be thrown on the planking or any of the streets of the city. That if such waste material is burned within the city limits it must be done under careful supervision before the hour of 10 o'clock forenoon, while things are still damp from the night dew and less danger from the wind, and to see that such fire is entirely extinguished before left to itself.

Dated at Toledo, Or., June 15, 1908.  
OTTO O. KROGSTAD, City Recorder.

### Special Correspondence

Portland, Or., June 22, 08  
The Oregon Bankers' Association will hold their next convention in Salem on Friday and Saturday, the 26 and 27. The program will be one of the most interesting ever presented and the business men of Salem are planning an entertainment in honor of the Association. 1908 will register the greatest crop of cherries and berries that Oregon has ever produced. Quality is magnificent, quantity is almost unlimited, and while humanity is enjoying this fruit the maturing hay crop insures a big increase in the dairy output, which has been greatly benefitted by as good Spring pastures as were ever known in this section. Residents of the Northwest should take pains to see that their Eastern country friends are made familiar with the unequalled conditions that make dairying so profitable here.

### BORN IN IOWA.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Celera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience, in the use of it. In fact when in El Paso, Texas the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—ENNIS BROS. This Remedy is for sale by Otto O. Krogstad.
