

OVER THIRTY-FIVE YEARS.

In 1872 their was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon even in the most severe and dangerous cases. For sale by Otto O. Krogstad.

**THE NEW YORK WORLD
Thrice-a-Week Edition.**

The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.50.

Waldport Items.

Fred Stillwell, Jr. spent the Fourth at Waldport.

Alvin McCleary conducted a shooting gallery on the Fourth.

The school district has purchased a splendid organ from Mr. Eigholz, for the Waldport school.

The Fourth of July ball game between Tidewater and Waldport resulted in a victory for Waldport, with a score of 18 to 9.

Justice of the peace, E. Goin and Constable Corwin J. Smith took the oath of office Monday. Both of these gentlemen are well qualified to fill their positions.

The celebration committee still has a considerable part of the funds on hand. It has been suggested that this be used for the purpose of completing the sidewalk to the schoolhouse.

Miss Margery Bellinger of Portland is spending the summer in Waldport as the guest of Mrs. W. F. Keady. Miss Bellinger is a grand-daughter of the late Judge C. B. Bellinger.

The Commercial Club has moved into more commodious quarters recently fitted up for them. Club stationery, pens, ink, etc., will always be on hand for the use of members of the Club. Six new names were added to the club register at the last meeting.

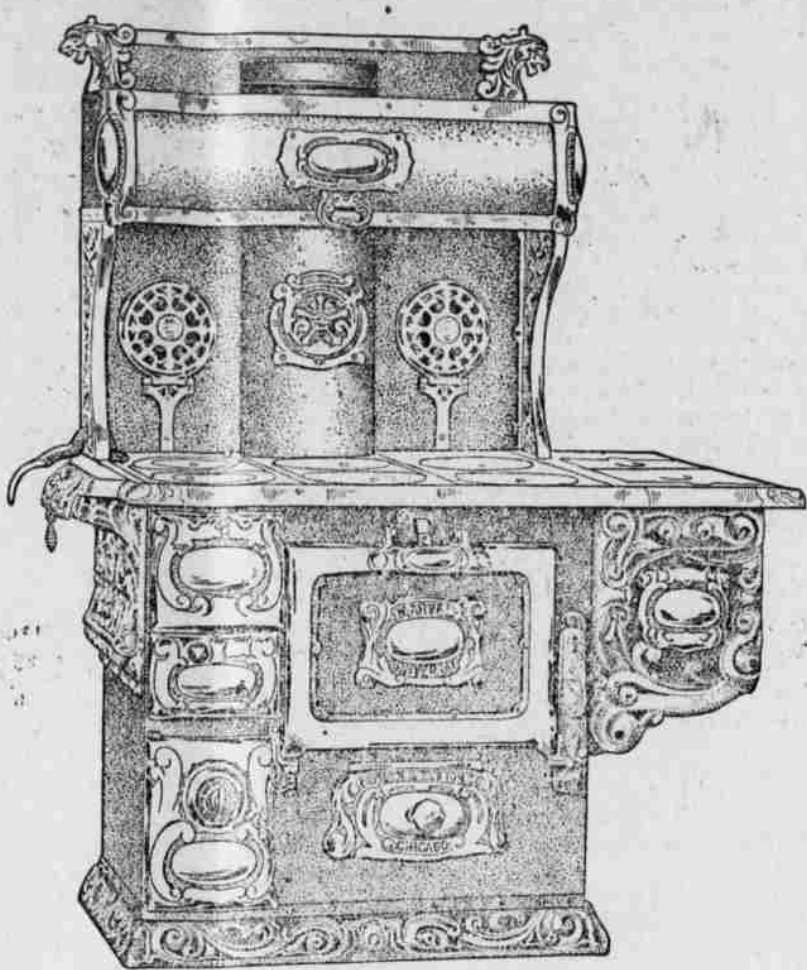

The Fourth of July Celebration passed off quietly at Waldport. A National Salute was fired at Sunrise. Promptly at 9:30 a. m. the parade started from the water front and marched to the grove. Dr. M. V. Leeper was Grand Marshal and Miss Lizzie Ronkosky Goddess of Liberty. An excellent Literary program had been arranged. The feature of the day was the excellent oration delivered by Will Guyn who certainly upheld his well earned reputation as a speaker. Promptly at one o'clock the good people of the town were surprised at the arrival of a number of hoboes carrying band instruments who seemed to come in from all directions. They finally succeeded in collecting at one place and rendering some excellent music. They then paraded the streets and afterwards furnished music for the sports consisting of a ball game, tug of war, etc. Fireworks were begun at nine o'clock but unfortunately only a few pieces had been set off when a spark fell into a box of roman candles, sky rockets, bombs, etc., and things were made lively for those on the scow for a few minutes. The entire outfit was destroyed and the exhibition brought to an abrupt close but all were satisfied when it was found that nobody had been hurt. The grand ball given by the band closed the day and as usual was a drawing card. A noticeable thing was the entire absence of liquor on the grounds during the celebration. Our people are certainly living up to their vote.

Having purchased Mr. Hawkins' interest in the Lincoln County Abstract Company, with all blanks, etc., I wish to thank my many friends for their past patronage, and solicit their future orders as I am prepared to make abstracts on short notice. Correctness guaranteed.

BOY'S LIFE SAVED.

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured him and believe that saved his life.—WILLIAM H. STROLING, Carbon Hill Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by Otto O. Krogstad.
