Elections For 1908.

Registration reopens Sept. 20.
Closes for election Oct. 20.
Presidential election Nov. 3.

While Mr. O'Brien is in this county it would be a good scheme for those fellows down at Newport to get together and decide which of their various petitions to the railroad company they want honored—the one asking for the noon train service, or the old morning and evening schedule—and lay the matter before that official.

Judge Scott in his address before the good roads meeting here last Friday spoke at considerable length on the tourist travel that this county would get if we had a first class automobile road leading to the Valley. As bad as our roads are we have had a great deal of that kind of travel in from the Valley to the seaside this summer. If tourists want to visit this seaport had enough for a few of them to risk their necks on the roads we now have, what would we get in the way of that kind of travel if we had a first class road for them to ride over. We have the finest beach, the finest scenery, the best climate in the world, now why not help nature just a little and make it possible for people to come and see what we have. The tourists are not the only people to be benefited by such a road. Every man, woman and child living in the county would be directly benefited.

Notice to Taxpayers.

Notice is hereby given that the Board of Equalization will meet at the office of the County Judge, at Toledo, Oregon, on Monday the 19th day of October, 1908, for the purpose of examining and correcting the 1908 assessment rolls. The law requires that all petitions or applicants for the reduction of a particular assessment shall be made in writing, verified by the oath of the applicant or his attorney, and must be filed with the Board during the FIRST WEEK IT IS BY LAW REQUIRED TO BE IN SESSION, and any petition or application not so made, considered or acted upon by the Board, and notice is hereby given to each and every taxpayer assessed upon said rolls, that if he fails to appear before said Board, or files with said Board a verified petition, during the first week of its session, he will be unable to obtain relief before the County Court, as the Court will hereafter absolutely refuse to allow any rebate of any taxes paid upon the 1908 tax rolls, for the reason that the law makes the Board of Equalization the proper authority for correcting said rolls.
Dated at Toledo, Or., this 16th day of September, 1908.
By order of the County Court.
IRA WADE, County Clerk.

City Clerk Lambert of East St. Louis is a candidate for the "meanest man" title. A couple, by mistake, applied to him for a license to wed. He took the young man aside, obtained from him a confession that this was not the only girl he had ever loved. Then he privately obtained a similar confession from the young woman, representing that if his questions were not answered a license could not be obtained. Hav

ing gathered this information the clerk solemnly announced that on account of the couple's previous love affairs he would have to refuse to issue a license. "However," he added, Mr. Smith, the real marriage license clerk across the hall is not quite so particular. You might call on him." The couple obtained the license.—Ex.

Waldport Items.

The Condor sailed Saturday after discharging her wet cargo. She carried out potatoes and cheese.

The summer season is not over at Waldport. There has been more travel during the past week than at any other time this season.

Capt. Geo. Tyler was with us several days last week and exhibited several fine talking machines. He gave several concerts at Kent's hall.

Several weeks ago it was reported that the road to tidewater was completed. This was correct but we are sorry to say that drivers have reported the road as unsafe and supervisor Evens will probably have to close it to travel unless work is done on it at once.

Postmaster Wakefield has made out a number of orders recently for hunters applying for a licenses. The fine paid two weeks ago by a Waldport citizen has had a good effect on the County Treasury.

The Alsea cannery may yet run this season. Elmore and Co. have sent in a man to look over the situation and one of the facts brought to light was that F. G. Stillwell, recent manager, did not make as good an offer for fish as he was authorized to. The difference was one cent per fish. Quite an item to the fishermen during a season.

A dance was given by the band in Even's hall Friday evening instead of Saturday as heretofore. The change was made at the request of the fishermen who do not fish Friday night on account of not being able to get their fish out of Yaquina on Sunday. Should the cannery open the dances will be resumed on Saturday evenings.

Meadow Creek.

The woods are getting full of hunters now, look out for your scalps!

Four of the heliograph men passed through here today on their way to Table Mountain.

Mrs. J. T. Calkins visited her daughter Mrs. F. Lang Saturday.

Mr. Burns and partner of Portland are on the creek again for another elk hunt. We hope they will have better luck this time.

Nathen Watkin returned home today from Toledo where he has been helping his brother-in-law, John Crooks, build a hen house.

The game warden accompanied Wm. Sharp were looking out for the interests of the elk over here but found nothing.

Mr. Daniels of Big Elk is hauling out chittim bark this week to Toledo for F. M. Neal.

S. J. Stewart and family returned home from the Valley last Sunday. They reported a good time.
