FOR CHRONIC DIARRHOEA

"While in the army in 1893 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by Otto O. Krogstad.

**THE NEW YORK WORLD
Thrice-a-Week Edition.**

The Thrice-a-Week World, now that a great Presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper, not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening throughout the world.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past. The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE LEADER together for one year for \$1.70. The regular subscription price of the two papers is \$2.50.

WHY COLDS ARE DANGEROUS.

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgement. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by Otto O. Krogstad.

Meadow Creek.

Will Randall killed the first elk of the season and the only one yet that we have heard of. They are scarce this year.

Frank Lang came home from Portland Saturday, where he has been doing carpenter work. He came to join the elk hunt. We hope he will stay a while.

Mrs. C. C. Brown has been on the sick list this week with a touch of la grippe.

Mr. and Mrs. Calkins were visiting their daughter, Mrs. F. Lang, Sunday.

Jesse Daniels and wife came in from Portland Saturday to visit relatives and take an elk hunt.

Tuesday Mr. Calkins went over to Grandma Butlers after a load of prunes.

Ferd Brown of Toledo and C. C. Brown of Meadow Creek were among the elk hunters Friday and Saturday, but failed to get an elk. Ferd had the nerve to kill a little rabbit.

MORE THAN ENOUGH IS TOO MUCH.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by Otto O. Krogstad.

Special Correspondence

Portland, Sept., 28, 1908.

The Portland Commercial Club finished its new building with Oregon or Douglas Fir, and in addition to this used this same exquisitely grained wood in making some high class permanent furniture for its main parlor. Nine out of ten visitors admire it more than they do mahogany. During the visit of Mr. E. H. Harriman he requested that samples be sent him for the consideration of his architects who are now building his country home, which will be the finest residence in America. Last Saturday President B. L. Winchell of the Rock Island System made a visit to the Club and particularly admired this same wood. He gave notice to an official of the Harriman Lines who was present that if they didn't hurry the Rock Island would have the first dining car or sleeper finished in the chief wood of the Pacific Northwest—of which there is sufficient yet left to turn out more and richer millionaires than has the iron and steel district of which Pittsburgh is the center.

Don't allow the political campaign now on to make you overlook the colonist rates in effect during September and October, and remember your friends and acquaintances throughout the older states can come to any part of the Pacific Northwest on one-way tickets at less cost now than at any time during the coming winter.

Edwards Ertz, of Devonshire, England, member of the Society of British Royal Artists and of international reputation, heard so much about the beauties of the Pacific Northwest that he is now making a very leisurely stay in this region. The Columbia River, Crater Lake and other famous scenic attractions of the North Pacific Coast he says have no equal.
