Frank L. Baker Chairman of the Republican County Central Committee called the Executive Committee consisting of the Chairman, F. A. Godwin and R. A. Benseil together at the Commercial Hotel parlors last Thursday to discuss the political situation in Lincoln county. A good report was had from nearly every precinct in the county, that Republicans every where were alert and active, and in earnest support of the Presidential ticket. The Committee will urge continual effort until the day of election, and public speakers will be invited to meet and address the people wherever it is possible. Lincoln county may be set down in the Taft and Sherman column with a handsome majority.

### A Successful Carnival.

Last Friday evening Lincoln County's Fruit and Vegetable Carnival closed. From every point of view it was more of a success than anticipated. The weather was ideal for the occasion, the exhibits were many and of most excellent quality and the attendance and interest taken was all that could have been expected. This little impromptu fair, gotten up in but a few days demonstrated to our people that this county is perfectly able to get up a fair and have as good displays of fruit and vegetables as any locality in the state, and a fair every year is an assured fact.

The bulk of the exhibits at the Carnival were shipped to the Portland Commercial Club by the Toledo Development League, under whose auspices the carnival was given. This display will be seen by the thousands of homeseekers who are arriving in Portland every day and will be the best advertisement this county could possibly make. It will bring many to our county.

Mrs. L. B. McJunkin had a fine display of cheese at the Carnival. She has made a careful study of the cheese and butter industries in this county and says that with butter fat at 30 cents per pound she has made \$1.25 more per cow per month from cheese than with the butter from the same number of cows. She wants to see cheese factories in this county.

The games played on the ball grounds during the Carnival consisted of a football game Thursday between Toledo High School and Siletz Juniors, and resulted in Toledo's favor, 16 to 12; and a baseball game Friday afternoon between Toledo and Siletz. Toledo boys also won this game by a score of 12 to 4. In the third inning Casey, Siletz' pitcher, got his hand hurt and "Pickles" Hampton of the engineering corps took his place.
