WHY COLDS ARE DANGEROUS.

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgement. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by Otto O. Krogstad.

CONTEST NOTICE.

U. S. Land Office, Portland, Oregon.
September 10, 1908.
A sufficient contest affidavit having been filed in this office by Anna D. Elliott, contestant, against homestead entry No. 12962, made August 4, 1903, for 1/2 of 8 1/2 sections 25, township 9 south, range 10 west, by Charles M. Brown, contestee, in which it is alleged that she is well acquainted with the tract of land embraced in the homestead entry and knows the present condition of the same; also that said entryman has never established his residence on the said claim, nor has he resided thereon at any time, or at all, and has wholly abandoned the same for a period of more than six months last past; also that he has never cleared any portion of the land, or cultivated the soil, and the only improvements on the claim consist of a rudely constructed log cabin wholly unfit for human habitation; and that said alleged absence from said land was not due to his employment in the Army, Navy or Marine Corps of the United States as a private soldier, officer, seaman or marine, during the war with Spain or during any other war in which the United States may be engaged. Said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on November 13, 1908, before the Register and Receiver at the United States Land Office in Portland, Oregon.

The said contestant having, in a proper affidavit, filed September 2, 1908, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.

ALGERNON S. DRESSER, Register.
