A correspondent from this office visited the Dundon farm a mile out of town Monday afternoon. He found Mr. Dundon busy putting the finishing touches to a fine, large barn. The barn is 36x70 and will hold at least 75 tons of hay and accommodate 25 or 30 head of stock in stalls. Lon will also build a shed for stock adjoining the barn. It is Mr. Dundon's intention to improve his dairy herd by stocking up with a better grade of cows. He is very anxious that some action be taken in regard to the dyking or damming of Depoe slough as he has several acres of tideland that will prove profitable when the tides are shut off.

Rebekahs Couvene.

The District Rebecca Convention was held at Newport Nov. 9, 1908.

There were about forty present and all seemed interested. One fourth of that number being brothers there was certainly no lack of enthusiasm on their part.

The Past President Mrs. Galloway of McMinnville, being present the order was favored by a very interesting talk on almost every line of work so badly needed in the lodge.

The three lodges that make up the District were represented as follows, Newport 36, Elk City 2, Toledo 1, one visitor.

The hall was beautifully decorated, and speaks much for the ladies of the Rhododendron lodge.

At the evening session the officers were elected for the coming convention which was voted to be held at Elk City. A vote of thanks was given to the past President and members of the Newport lodge after which they adjourned and repaired to a room below and partook of a bountiful and elegant spread which the ladies certainly know how to prepare. It was the wee hours of morning ere all closed their eyes in slumberland and dreamed of all the good things in store for them at the next convention. "Rhea."

Elk City 11; Toledo 0.

The football game at Elk City last Sunday demonstrated that to play football successfully the boys must practice more. When they had the ball they could not handle it for lack of team work, so consequently were beaten 11 to 0. They were fairly strong on the defensive, Elk City making her yardage by punting.

We were unable to get the lineup. Sunday Elk City will play Yaquina on the Toledo grounds.

WANTED—Three or four good timber fallers.

Armstrong of Eddyville; Roy Borden, Newport; Conrad Christiansen, Lawrence Prescott, Alvild Rountvedt, Toledo; Mary Lillian Earnest, Vernon; Edith H. Casteel and William A. Toner, Yaquina.

We are in receipt of a letter from a former citizen, Mrs. J. A. Hall, who is now living at Gross, Nebr., in which she enclosed \$1.50 for another year's subscription to the LEADER, claiming that she can not get along without it. She sends regards to her many Toledo friends, and also states that she would much rather live in Oregon than Nebraska where she has to suffer with heat in the Summer and sit freezing by the stove in the Winter.
