**GOOD COUGH MEDICINE  
 FOR CHILDREN.**

The season for coughs and colds is now at hand and to much care cannot be taken to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of them who have tried it are willing to use any other. Mrs. E. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by Otto O. Krogstad.

**FOR THAT DULL FEELING  
 AFTER EATING.**

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets that I have ever used. My trouble was a heavy dull feeling after eating.—DAVID FREEMAN, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at Otto O. Krogstad's drug store and see what a splendid medicine it is.

**Oregon Geographic Board.**

Appreciating the fact that numerous geographic features in this State bear similar or identical names, and that many old landmarks either have no names at all or else have names of no significance, and realizing the necessity for better identification, Governor Chamberlain, on October 1, 1908, appointed a commission to supervise the naming of geographic features within the State, to prevent confusion by duplication and dispute, and to perpetuate, as far as may be, unique legends of the Indians and traditions of our pioneer age.

The Commission met in Corvallis, October 28, 1908, and organized by electing the following officers: President, Will G. Steel, Portland; Secretary, Joseph Schafer, Eugene; Treasurer, J. B. Horner, Corvallis. The name selected is Oregon Geographic Board. Portland was made headquarters.

The chief reason for the creation of a board of supervisors lies in the fact that in a new state of vast proportions, like Oregon, population is pushing into new areas, and the older sections are becoming more densely populated, giving rise everywhere to new towns, villages and postoffices; this calls closer attention to many hitherto disregarded physical features of the country—mountains, streams, waterfalls, lakes, beautiful landscapes along the seacoast or in the interior. The Board will be prepared to assist citizens wishing to apply names to such new places, by furnishing lists of appropriate names drawn from Indian lore, pioneer history, and from other sources.

The Board solicits the help of school teachers and all others in this work.
