Suggestions for Country Life Commission.

At a meeting of the agricultural faculty of the Oregon Agricultural College on November 30th, the request of President Roosevelt's Country Life Commission for suggestions that might aid the Commission in making its report was discussed and the following statement prepared:

If federal appropriations are to be made for improving social and economic conditions in rural communities, it is recommended, first, that they be made to the existing high schools and normal schools for the purpose of maintaining courses of instruction in agricultural, industrial and domestic arts, and including business methods and home sanitation, so that all public school teachers may have the training necessary for teaching those subjects in the public schools.

Second, that in order to secure the full efficiency of the agricultural colleges and experiment stations, the national government should cooperate with the states in agricultural extension work, this work to be under the direct supervision of the agricultural colleges. With an adequate appropriation a comprehensive system of traveling agricultural schools, farmers' institutes and free circulating libraries could be maintained, and publications issued for free distribution so that all important discoveries of the experiment stations could be given to every farmer of every state.

BEWARE OF FREQUENT COLDS.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recomended. Mrs. M. White, of Butler Tenn., says: "Several aears ago I was bothered with my throat and lungs Some one told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by Otto O. Krogstad.

FOR THAT DULL FEELING AFTER EATING.

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets that I have ever used. My trouble was a heavy dull feeling after eating.—DAVID FREEMAN, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at Otto O. Krogstad's drug store and see what a splendid medicine it is.

STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which *seem* remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

GIVEN AWAY.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent *free* on receipt of stamps to pay expense of mailing *only*. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
