FEVER SORES.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by Otto O. Krogstad.

Please Settle.

Having sold the Livery Stable and business, all persons knowing themselves indebted to me, please call at George Hall's pool parlors and settle. Yours respectfully,
M. N. ANDERSON.

DON'T TAKE THE RISK.

When you have a bad cough or cold do not let it drag along until it becomes chronic bronchitis, or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to parts or the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by Otto O. Krogstad.

For Sale Cheap.

An Estey Organ, Piano style, solid walnut case. Good condition. Will sell on time or cheap for cash.
OTTO O. KROGSTAD.

PURE FOOD LAW.

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Otto O. Krogstad.

Kernville Items.

A young man from a mill in Astoria made our country a call. He wants to purchase G. S. Parmele & Son's mill and turn it into a box factory. He says spruce is getting so scarce that he wants to get in where it is plentiful.

What is the matter? Some of our men are going to Toledo every week.

The Salmon River people believe in shaking the the light fantastic toe. A dance Thursday night at Henry Curl's, one Friday night at John Dicken's. Rumor says there was a wedding at Dicken's just before the dance.

Mrs. Carrie Parmele made Mrs. Muir a visit a few days ago.

Mrs. John Morris got hurt real badly by a horse striking her.

Mrs. Mose Hilem is quite sick.

A. S. Thompson will soon leave for other parts.

John Thompson wants to sell his homestead right, sheep and sheep ranch right he rented of Abe Logan. His health is so poor he can not stand the work it requires.

We overheard two musically inclined young ladies talking over a musicale of the night before in which one remarked; "I would like to catch an old air that I heard in the music room last night." "What air was that?" ask her companion. "Oh, that old millionaire that complimented me." was the answer.

Waldport Items.

Plenty of rain the last two days, but we have had no sleet at any time this winter.

There was a dance at the Sam Hayes place at Tidewater on the 27. A number of Waldport young people attended and a pleasant time is reported.

We hear that the Lumber Company has cut the price on Lumber, but also notice that they are not in shape to produce the goods. Several houses would be under course of construction if the necessary material could be had.

The by-monthly school program was rendered on Friday, the 29, in a very creditable manner, with readings, recitations and a few selections by the band orchestra. A new feature of the program was the school paper, the Waldport School Wigwag, a class prediction, and it surely is a scorcher.

A few days ago C. J. Smith, our Real Estate man decided that he would show Dick Evens that he was not the only one that could shoot ducks, so with a long repeating shotgun and a pocket full of ammunition, he sallied forth, along in the evening we saw him coming in the back way with—one nice mud hen.
