Jessup has abandoned said homestead for more than six months prior to the date of this application, to-wit, since the year 1902; and that he has not lived on said homestead since said abandonment; that he has not lived on said land and made the same his home; that he has not cultivated or improved the land in any way; that no buildings of any kind have been erected on said land by said Jessup; and that said land is in the same condition as when filed on by said Jessup in the said year 1902; that said alleged absence from the said land was not due to his employment in the Army, Navy, or Marine Corps of the United States as a private soldier, officer, seaman or marine during the war with Spain, or during any other war in which the United States may be engaged, said parties are hereby notified to appear, respond, and offer evidence touching said allegation at 10 o'clock a. m. on April 5th, 1909, before the Register and Receiver at the United States Land Office in Portland, Oregon.

We are having some Spring weather. The spring flowers and wild lilies are blooming and the birds and frogs are singing.

The party and dance given at Nathen and Elmer Watkins' was a success. There was a large crowd present and all enjoyed a good time.

We are having quite a change in our neighborhood this spring.

Mr. Frank Lang has sold out everything to Bond Daniel. Mr. Lang intends to move to Portland the first of April. Mr. Daniel intends to start a dairy on his place on Big Elk. The next thing Bond will be looking for is a milk maid.

Mr. Troxel and family intend to move on their place in the Valley as soon as the weather settles.

J. T. Calkins and family will occupy the Troxel place.

Nathan and Elmer Watkins intend going to the Valley to do some logging on their brothers place.

C. C. Brown has rented the Watkins' place and will move Tuesday.

Wm. Darnley and wife went to Toledo on business Saturday.

Others besides multi-millionaires can now eat the fruit of the Oregon hen.

Positive promises are made that Eugene and Portland, the two cities at the extremes of the Willamette Valley, are to be connected by trolley just as soon as men and money can do the work.

Seven stalwart young Swedes arrived in Portland last Thursday, direct from their far-Northern home. They all came from one village, and in a great many cases their sweethearts had preceded them. A prominent society belle of this city was heard to say that she wished she was a Swede, that they had a lot more fun than she and her friends.

The liberal state appropriations for the Alaska-Yukon-Pacific exposition have in several instances been increased and Oregon has added an additional amount of \$25,000 to her first appropriations of \$100,000. The interest among the various counties of Washington, Oregon and California has been stimulated, and a number of individual exhibits will be made by counties whose allotments for exploitation purposes range from \$5,000 to \$10,000.

The work required successfully to accomplish a great fair, such as the Alaska-Yukon-Pacific Exposition, is enormous and at no previous time has the feat been accomplished within the time set for the throwing open of the gates to the public. When it was decided to hold the present exposition and the first funds subscribed for the undertaking, it was arranged that the opening would be held on June 1, 1909. Now, three months before that day, there remains much less than five per cent of work to be finished and this is being carried on at a rate which will win completion at a date earlier than was expected.

The following beautiful sentiment is from the pen of Senator Bob Taylor of Tennessee: "I would rather fill my purse with money and keep its gates ajar to my happy girls while yet they linger under my roof than to clutch it with a miser's hand until all the harp strings of youth are broken and all its music forever fled. I would rather spend my last nickel for a bag of striped marbles to gladden the hearts of my barefooted boys than to deny them their childish pleasures and leave them a bag of gold to quarrel over when I am dead. I abhor the pitiless hawk that circles the air only to swoop down and strangle the song of the linnets or bury its talons in the heart of the dove. I despise the soulless man whose greed for gold

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants.
