We are desirous to organize an adult class in our Sunday School at the M. E. Church, for the purpose of a broader and deeper study of the Bible (the word of God) among the elder people of the community, Thursday evening, at 8:15 P. M. of this week. All are cordially invited to attend. All are eligible from 16 to 100 years old.

Our Sunday School is doing creditable work but we are anxious to do greater and more work in the near future. We have some 60 enrolled, average nearly 50 including teachers and officers. We have 36 members of the Home Department who are studying their lessons in their homes. Also last but not least we have 23 members on the Cradle Roll. This is the baby department of the Sunday School. All babies under 3 years are eligible to this Department. We all believe in the Sabbath School and its work, its influence for character. Now let all that believe in this great work come and help to make the Sunday School a greater success.

W. F. ROGERS.

Passed away on the evening of April 29th, Mary Ann Rose wife of John Rose and mother of Mrs. W. R. Wakefield and Mrs. Wm. Thorley of Waldport Oregon.

Mrs. Rose was born at Hornsea, Yorkshire, England, on May 31st, 1828 and was consequently of the ripe age of 79 years and 11 months.

For the past ten years she had been a great sufferer at intervals and for more than two years had only once left her room. She bore her affliction with true christian patience and fortitude almost invariably wearing a smile except in extreme pain. She came to Waldport with her husband and daughter in Oct. 1899.

Her remains were laid to rest in Alder Grove Cemetery on Saturday May 1st. Rev. Rhys Gwynn conducting the services in the presence of the family and many friends who covered her grave with flowers and her many virtues will remain ever green in our memories. W.

At a meeting of the district boundary board, for Lincoln Co., there were two new districts formed and changes made in twelve others. Most of the changes were made to take in some of the territory that has heretofore been out side of any school district. A few more changes and all the territory in the county will be in some district. When this is done, the tax of every taxpayer in the county will be reduced to some extent. In some cases, three or four mills on the dollar.
