## BASEBALL.

Last Saturday one of the fastest games of baseball ever played in the county was played on the Toledo diamond between the Newport junior and Toledo junior teams. The teams were very evenly matched and splendid work was done by both teams. The game was played in less than one hours time, the score standing 4 to 3 in favor of Toledo. A large delegation of fans came up from Newport with their team and the way they rooted wasn't slow. A large number of Toledo fans attended the game and kept up their end of the rootin'. The boys should feel encouraged by the patronage that they received, (the gate receipts amounted to some 25 dollars) and keep on playing. A return game will be played on the Newport grounds next Saturday. Following is the lineup.
