Oregon is not so far from the Atlantic Coast as it was. Within a few days a through train service will be put on between Portland and New York City, covering the entire distance in thirty minutes less than four days. Thoroughly informed railroad men consider that it will be a long time before this remarkable schedule is bettered.

Visitors to the Pacific Northwest from any other portion of the United States are always impressed with the wonderfully luxuriant vegetation West of the Cascade Mountains. It keeps them busy saying "why we cultivate the syringa as a shrub at home—here it grows wild. And those ferns, which seem to do their growing in your winter woods here, at home we would only have them in green houses." The rhododendrons of Yaquina Bay are famous even in Oregon, and special excursions are being run to Newport to see this gorgeous flower at its best.

WHOOPING COUGH.
This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKelg of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it to highly." For sale by TOLEDO DRUG CO.

CHAMBERLAIN'S LINIMENT.
This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by TOLEDO DRUG CO.

BILIOUSNESS AND CONSTIPATION
For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by TOLEDO DRUG CO.
