The Ferro

The Ferro is, without question, the most perfectly constructed marine engine on the market today. It is comparatively light in construction, though it gives the greatest horse power, considering bore and stroke, than any other engine on the market at the present time. Yet it is designed with a view to give long, hard, and continuous service and is guaranteed to do so.

By grinding every surface on our engine, including the cylinder, piston and piston rings, and also the cylinder head, we are able to keep a greater compression on our engine than can be done where the cylinder and head is cast in one piece. By grinding and polishing the entire compression chamber we give you the greatest H. P. for bore stroke than any other engine manufactured. There are cheaper engines than The Ferro but they are made cheaper at the expense of material and workmanship and they are much more expensive in the long run. You get more real engine value out of a Ferro for the money than any other engine manufactured.

The Ferro includes most of the good points of other engines, together with many that are lacking in other engines; such as the Force Feed Oiling System, Offset Crankshaft, which should be given serious consideration as the life of an engine depends on lubrication and the elimination of "jar" and "pounding." In the Ferro, lubrication is assured and vibration is reduced to a minimum. The Ferro is also equipped with ball-bearing thrusts both fore and aft permitting the engine to run in either direction indefinitely without injury. The Ferro is a Medium Speed engine with large bearings that can be adjusted to a thousandth part of an inch insuring a snug bearing and in this respect the Ferro again stands alone. The crankshaft is the largest in proportion to H. P. of any manufactured. This gives a large bearing surface and also insures to the life of an engine. We point with pride to the fact that of all the thousands of Ferro engines sold there has never been one instance of a broken crankshaft or bearing.

The Ferro Reverse Gear is made by us and carries the same guarantee as does our engines. It is bolted direct to the engine bed and eliminates any possibility of getting out of alignment.

The following large boat manufacturers use Ferro engines exclusively: W. H. Mullins Company, (pressed steel boats), The Outing Boat Co., The Pioneer Boat Co., The Cleveland Auto-Boat Co., Memphis Boat Co. These factories have "tried out" many different makes of engines, but are now past the experimental stage and use the Ferro because it made good.

If you want a good reliable engine get a Ferro and you will never regret it. See our agent and have him demonstrate our engines to you. He always has engines on hand and will give all information you want concerning them. Catalogue sent on request.

WHOOPING COUGH.

This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKelg of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it to highly." For sale by Toledo Drug Co.

Notice.

Those who do not settle in full with me every month can not get any more credit from me as I am closing out my stock at cost. Begin May 1st. H. LEWIS.

Farm for Sale.

160 acres on county road and deep water, rural route, 6 miles from Toledo, 25 acres high tideland, six acres in cultivation, good barn, 4-room house, good stock or fruit land.

CHAMBERLAIN'S LINIMENT.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by Toledo Drug Co.

BILIOUSNESS AND CONSTIPATION

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach liver and blood, helping the system to do its work naturally.—Mrs. Rosa Porter, Birmingham, Ala. These tablets are for sale by Toledo Drug Co.
