## WOMEN WHO ARE ENVIED.

Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Toledo Drug Co.

It has been announced through the Commercial Club that the Portland Club has taken a full page advertisement in the Saturday Evening Post for June 16th, paying \$2,850 for the one issue. Brother Hawkins of Toledo was down last week to look over the telephone situation here. He found the affairs of the company in somewhat of a tangle and returned home without having accomplished much toward putting the affairs right.

The 4th of July committee is busy preparing a program. Waldport will do her best to entertain those who wish to celebrate with us. The surrounding settlements have been notified and a good sized crowd is expected to be on hand. Saturday, July 3d is the date for the celebration.

A number of Newport people accompanied the ball team down here Sunday to see Newport walk away with the game by a big margin. This is the first game of the season for the Waldport team and it took them five innings to get the edges worn off. After that they settled down to good ball. It was too late, however, for the game was lost in the first three innings.

The Commercial Club program for last week was as follows:

## PETITION FOR CREATION OF A DIKING DISTRICT.

In the County Court of the State of Oregon, for the County of Lincoln.  
To the Honorable Court:  
We the undersigned, your petitioners, allege and show to the Court: That the lands hereinafter described are tide and overflowed lands, subject to overflow by the tides at all seasons of the year, and by freshets and tides during the winter; that in their present condition they are not susceptible of cultivation to any appreciable extent, and can only be used in a limited way for pasture, during the times the tides are not over them; that by the reclamation of said lands, the taxable value thereof will be increased more than the cost of the reclamation, and that it will be for the general good, as well as greatly to the profit and advantage of the owners of said lands that they be reclaimed by diking; that we are the owners of more than one-half of the whole acreage of said lands, and more than one-half of the individual owners thereof; that we represent more than one-half of the area of the lands embraced therein; that it is desired to form a diking district for the purpose of improving by diking or damming the lands contained therein. Therefore, we respectfully petition the Honorable Court to create a diking district, as by Statute made and provided, embracing a portion of the following described lands, to-wit: The ne. 1/4 and ne. 1/4 of sec. 26, the e. 1/2 of sw. 1/4 of sec. 23, and the nw. 1/4 and s. 1/2 of section 24, all in township 11 south, range 11 west of Willamette Meridian in Lincoln county, State of Oregon.

The dike and right of way therefor to run substantially as follows, to-wit: Beginning at stake marked X-1 at a point in the ne. 1/4 of the ne. 1/4 of sec. 26 on the north bank of "Boones Slough" (or sometimes known as Mill Slough) about 10 rods west of the section line between sections 25 and 26, v here the tide land joins the highland, running thence westerly and northwesterly along the north bank of said slough, through the s. 1/2 of the ne. 1/4 and the ne. 1/4 of sec. 26, thence through the ne corner of the ne. 1/4 of the sw. 1/4 of section 26 to the section line between sections 26 and 23; thence in a northerly and northeasterly direction along the east bank of said slough through the south half and sw. 1/4 of ne. 1/4 of section 23 to a stake marked X-2, set at point of hill where tide land joins the higher ground; thence in easterly direction to a stake marked X-3 placed at a point in the ne. 1/4 of section 23, where tide land joins the hill land; thence in easterly direction around the base of the hill and edge of tide land to a stake marked X-4, set on bank of slough designated in U. S. Govt. surveys as Cheto Slough, but now locally known as Derby's slough, in nw. 1/4 of sec. 24; thence in a southerly and easterly direction around the west and south bank of said slough to the mouth of "Pavey's Slough" in the ne. 1/4 of the ne. 1/4 of section 21, thence in a northwesterly and westerly direction along the north bank of said Pavey's Slough to a stake marked X-5, set on the north bank of said slough in the ne. 1/4 of sw. 1/4 of section 21; thence in a southerly direction to a stake marked X-6, set at the edge of tide land and foot of the hill; thence in a westerly and southerly direction along edge of tide land and foot of hill through the sw. 1/4 of section 24, sec. 24, and ne. 1/4 of section 26, to place of beginning, the lands above described being in Township 11 S, Range 11 W of Willamette Meridian and in Lincoln county, Oregon, and we, your petitioners, will ever pray.
